In *A Slave No More*, David W. Blight enriches the authentic narrative texts of these two young men using a wealth of genealogical information, handed down through family and friends. Blight has reconstructed their childhoods as sons of white slaveholders, their service as cooks and camp hands during the Civil War, and their struggle to stable lives among the black working class in the north, where they reunited their families.

Slave narratives are extremely rare, with only 55 post-Civil War narratives surviving. A mere handful are first-person accounts by slaves who ran away and freed themselves. Now two newly uncovered narratives join that exclusive group. Handed down through family and friends, they tell gripping stories of escape: Through a combination of intelligence, daring, and sheer luck, the men reached the ...
