A Year of Craft Beer With Two Strange Fellows. It seems suiting that shortly following the announcement of the 2015 People's Choice Awards where Strange Fellows Brewing took the accolade of "Best New Brewery" they celebrated the completion of their first year in business. December 16th, 2015 marked the 365th day in business on Vancouver's Clarke Ave. where they have quickly become a staple for local craft beer culture and flavour.

The "craft beer revolution" does not make much sense if it is simply called the "beer revolution." We think drinker education is the answer and it is happening. It is becoming more and more common to find average beer drinkers - the non-geek kind, we mean - to know a handful of beer styles and to have at least some experience with them.

A craft brewery or microbrewery is a brewery that produces small amounts of beer, typically less than large breweries, and is often independently owned. Such breweries are generally perceived and marketed as having an emphasis on enthusiasm, new flavours, and varied brewing techniques. The microbrewing movement began in both the United States and United Kingdom in the 1970s, although ...

Trying to define craft beer is a difficult task, as beer can be very subjective and a personal experience. However, our parent organization, the Brewers Association, the not-for-profit trade group that protects and promotes small and independent U.S. brewers, defines an American craft brewer as a small, independent brewer. The craft brewer definition allows the organization to provide ...

Marketing for craft beer is about much more than a newsletter worth of tap listings and happy hour specials. For starters, your audience is predominately Millennials (go ahead, angrily mutter "ugh hipsters"). Yes, craft beer is loved by an increasing number of adults and particularly women, but the 21- to 34-year-old crowd is the big craft ...
