Academic Writing For Graduate Students

This edition of Academic Writing for Graduate Students, like its predecessors, has many special features: It is based on the large body of research literature dealing with the features of academic (or research) English and extensive classroom experience. It is as much concerned with developing academic writers as it is improving academic texts.

Commentary for Academic writing for graduate students ...
A very general, but overall helpful, step by step guide to crafting a graduate level research paper. This was my first time teaching a graduate level academic writing course and the sections that were most relevant helpful to everyone (I had a variety of grad students from various disciplines) were the sections that focused less on the paper and more on specific academic language (e.g. common ...
