Performance management. Performance management and control is a key area of the Paper F5 syllabus, yet are often the poorest answered questions in the exam. We offer some tips for making the marks. One of the key areas of the Paper F5 syllabus is that of performance measurement and control. It is perhaps more integral to the whole area of performance management than any other topic examined under the syllabus.

Questions which are testing a management accounting technique will usually try to make the link between the technique and its use as a performance management tool. You must make sure that you have revised the syllabus thoroughly and have the knowledge required of these tools as exam changes mean that the syllabus can be examined in a lot of breadth.
