Thinking about a knockout audio system for your car? Not sure what you need, want, or can afford? Car Audio For Dummies is a great place to find some answers! But wait — what if speakers that vibrate your floorboards don’t turn you on? What if you’re thinking more about hands-free phone access and a DVD player to entertain the kids? Surprise! Car Audio For Dummies can give you a hand there, too. Whether you want to feel as if your favorite band is performing right on top of your dashboard or you want to keep the soccer team entertained on the way to the tournament, this friendly guide can help. From planning your system and buying components to getting them installed and protecting your investment, you’ll find plenty of wise advice. Get the scoop on: Figuring out what kind of equipment you need to do what you want Identifying good sound quality when you hear it Adding components to a factory system Choosing a video player, hands-free phone system, amplifiers, speakers, and more Finding a reliable installer (today’s automotive electronics systems are so complex that you probably won’t want to go it alone) Understanding warranties and returns Protecting and insuring your system Car Audio For Dummies is sort of like that knowledgeable friend you want to take along when you tackle a project like this. Sounds like a good idea, doesn’t it?

Rates consumer products from stereos to food processors

NOW A MAJOR TELEVISION SERIES. BAD BLOOD! Bestselling crime writers Peter Edwards and Antonio Nicaso reveal the final years of Canada's top mafia boss, Vito Rizzuto, and his bloody war to avenge his family and control the North American drug trade. Until Vito Rizzuto went to prison in 2006 for his role in a decades-old Brooklyn triple murder, he ruled the Port of Montreal, the northern gateway to the major American drug markets. A master diplomat, he won the respect of rival mafia clans, bikers and street gangs, and criminal business thrived on his turf. His family prospered and his empire grew—until one of North America’s true Teflon dons finally lost his veneer. As he watched helplessly from his Colorado prison, the murders of his son and father made international headlines; the killings of his lieutenants and friends filled the pages of Canadian news; and the influence of the 'Ndrangheta, the Calabrian Mafia, spread across Montreal faster than the blood of Rizzuto's crime family. In 2012, Vito Rizzuto emerged from prison, a 66-year-old man who could carefully rebuild his criminal empire or seek bloody revenge and damn the consequences. From the events leading to his imprisonment to his shocking death in December 2013, Business or Blood is the final chapter of Vito's story.
