A fresh, accessible perspective on the fundamentals

In a storytelling approach that weaves contemporary examples together with historical context, *By the People* explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like: Who governs? How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, *By the People, Brief Second Edition*, condenses the content of the comprehensive edition while also preserving its essential insights, organization, and approach.
