"Every event we experience and every person we meet has intentionally been put in our path to help us lead more conscious and fulfilled lives," says Cheryl Richardson, the New York Times bestselling author of *Take Time for Your Life*, *Life Makeovers*, and *Stand Up for Your Life*. In her new book -- her most personal work to date -- she'll show you that, once you learn to view your life from this perspective, the person who smiles at you while you're walking down the street is no longer a stranger, the phone call from an old friend who crossed your mind the day before is no longer a surprise, and the failed relationship that left you brokenhearted is no longer a source of bitterness and pain. Instead, these experiences -- examples of what Richardson calls "the unmistakable touch of grace" -- are seen as blessings in disguise, gifts that make you stronger, more conscious, and, ultimately, more alive. To read this beautiful, intimate, and profoundly inspiring book is like having a conversation with Richardson herself. Filled with illuminating stories, provocative experiments, and striking examples of how grace has influenced her own life, Richardson will help you recognize that your life is being influenced, too, in ways you may never have imagined. *The Unmistakable Touch of Grace* helps you to see the hidden miracles that occur every day -- and gives you the courage to use them to make your life more meaningful, magical, hopeful, and complete.

NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers Book 8 in the YA Urban Fantasy WAR OF THE FAE Series. Jayne and her crew of fae friends are off to Uamh An Ard-Achaidh, the High Pasture Cave in Torrin on the Isle of Skye, to fulfill her destiny as the companion to the portal guardian of the Underworld. But on the way there, weird things start to happen, and she ' s forced to reckon with at least one behind-the-scenes player bent on keeping her from getting to the portal on time. Content Warning: Mild violence and significant foul language within. Meant for older Young Adult readers (age 15+). She writes with such a flair for building on her characters' interactions with one another that as soon as you think you know everything there is to know about the relationships between characters, there is always something new and different going on that surprises the reader. Casey also has a flair for dialogue, particularly Jayne's talent for coming up with new ways to use every dirty word you thought had already been used in every possible way imaginable! " ~ BigBangBookGeek, Amazon Reviewer " Another Elle Casey book I couldn't put down. This is a GREAT continuation of the story and you really need to start at the beginning before reading this one. This series is one of the few that actually has made me laugh out loud, say "No way", and sit on the edge of my seat all within a chapter or two. " ~ Gary Wilson, Amazon Reviewer " She does it again. I absolutely love this series. I would love to meet each and every character because they are each hilarious. I was so surprised that there was more to this story, but so happy as well... " ~ Amelia Betty, Goodreads reviewer About this series: A reader fan recently set up a blog dedicated to casting the actors for the War of the Fae movie. No, it is not in production to be

made into a movie, nor have I sold the rights to anyone for the movie. But just in case I ever do, my fans will be sure the casting director has a complete line-up ready! Check it out: elcasey.com/WOTF_Movie

The animosity between Darkness & Light continues to grow, as do Jayne's supernatural, elemental abilities in the Green Forest. Long-lost friends arrive, new friends leave, passion burns, and mysteries abound. What is Light and what is Dark? Who can the Light Fae trust? Who will be left standing in the end and whose side will they be on? Nothing is ever as it seems, and all is fair in love and War of the Fae.

Leah was first thrust under the reality television microscope when her teen pregnancy was documented on MTV's groundbreaking series, *16 and Pregnant*. Since then, fans of *Teen Mom 2* have watched her life play out on the small screen—from her struggle to rise to the challenges of motherhood, through her harrowing journey to find a diagnosis for one of her twin girls with a rare form of muscular dystrophy, and the collapse of two marriages. She has learned to live under the harsh glare of media scrutiny, yet there is a truth behind the reality that the cameras have never revealed. In her unflinching and honest memoir, Leah takes readers behind the scenes and shares an intimate, often heartbreaking, portrait of her turbulent childhood in rural West Virginia, the rock bottom that forced her to reevaluate her life, and her triumphant break from toxic relationships and self-destructive cycles to live her life with hope, grace, and faith.

"A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? Each book in the Patterson's Bluff series is **STANDALONE**: * *The Aussie Next Door* * *Her Aussie Holiday*

Stone Barrington must find his way out of a precarious bind in the newest novel from #1 New York Times-bestselling Stuart Woods.

Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple. By the author of *Miss Julia Paints the Town*.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a

deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
