The book focuses on the  
human and social effects

# Download Ebook Atls 9th

of the construction of hydroelectric dams in Brazil. It discusses themes such as forced migrations, how the families of the victims of the dams adapt to new living areas, the struggle of families with the relocation of their homes and the fact that they are neglected by builders and government. These

# Download Ebook Atls 9th

discussions are carried out in a comparative perspective between Southern and Northern Brazil, where contexts and living conditions are quite different. The book's main objective is to analyze the movements, adaptations and life changes in families suffering from the effects of dams throughout Brazil. This

# Download Ebook Atls 9th

is the first book that analyzes the relationship dam-space with the intent to understand how dams affect the territory. The book is organized in three chapters: the dams' effects in Brazil and the territorial impacts; human and social consequences of dam construction; a regional comparison of the effects of dams

# Download Ebook Atls 9th

between the South and  
the North of the country.

Injury is an increasingly significant health problem throughout the world, accounting for 16 per cent of the global burden of disease. The public health burden of death and disability from injury is particularly notable in low and middle income

# Download Ebook Atls 9th

countries. These guidelines seek to establish practical and affordable standards applicable to injury or trauma care worldwide, whether in rural health posts, small hospitals, hospitals staffed by specialists or tertiary care centres. It sets out a list of key trauma treatment services designed to be

# Download Ebook Atls 9th

achievable in all settings, and defines the various human and physical resources required. It also includes a number of recommendations for methods to promote such standards including training, performance improvement, trauma team organisation and hospital inspection.
