William McFeely, who in his Frederick Douglass (1991), provides the most complete biography of Douglass to date, is admittedly bemused by the "unidentical" quality of Douglass's three autobiographical renditions of his childhood. McFeely observes that in his Narrative of 1845 Douglass states as a matter of fact that his "father was a white man."

the book. This section aims to give the reader some historical context, and contains a brief History of Slavery in America, and the Abolishment of Slavery. This will help set the stage for the narrative of Frederick Douglass that is to follow. Frederick Douglass was born in slavery as Frederick Augustus Washington Bailey near Easton in Talbot County, Maryland. He was not sure of the exact year of his birth, but he knew that it was 1817 or 1818. As a young boy he was sent to Baltimore, to be a house servant, where he learned to read and write, with the assistance of his master's

wife. Later in life he escaped slavery and became an influential social reformer. William Lloyd Garrison, a prominent American abolitionist, heard Douglass speak of his experience in slavery and invited him to speak at the antislavery convention in 1841. Douglass's passion captivated his audience, and following this, the American Anti-slavery Society hired him as a regular lecturer. Frederick went on to become one of America's best-known and most influential abolitionists. His story gained even more prominence when he published the narrative found in this

book, "Narrative of the Life of Frederick Douglass. An American Slave. Written by Himself." This Frederick Douglass narrative outlines his struggle from enslavement and escape to freedom. Frederick published this in 1845, and by 1850 30,000 copies had been sold in the United States and Great Britain. Frederick Douglass' work is particularly moving as he provides a first-hand account of events. As he said, "I can tell you what I have seen with my own eyes, felt on my own person, and know to have occurred in my own neighborhood." Frederick Douglass was an influential

from ignorance and despair to knowledge and spiritual awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self

practice, and finally a mode of cognition and an expression of our most basic physiology. The next section, "Life Writing: Historical Forms," makes the case for the historical value of the subjectivity recorded in ego-documents. The essays in the final section, "Autobiography Now," identify primary motives for engaging in self-narration in an age characterized by digital media and quantum cosmology.

narrative, and self concept. If narratives are a critical link between memory and self, then it becomes apparent that the roles of language and social interaction are paramount. These are the issues addressed in this volume. Although individual authors offer their own unique perspectives in illuminating the nature of the link between self and memory, the contributors share a perspective that both memory and self are constructed through specific forms of social interactions and/or cultural frameworks that lead to the formation of an autobiographical narrative.

Taken together, the chapters weave a coherent story about how each of us creates a life narrative embedded in social-cultural frameworks that define what is appropriate to remember, how to remember it, and what it means to be a self with an autobiographical past.
