Beyond Anger and Violence
are the first manualised
interventions for women that
focus on anger and utilizes
a multi-level approach and a
variety of evidence-based
therapeutic strategies. This
four level model of violence
prevention considers the
complex interplay between
individual, relationship,
community and societal
factors.

Beyond Anger and Violence is a 40-hour, evidence-based program designed for women who have difficulty managing anger. Based on a social-ecological model, the program addresses the factors that put people at risk for experiencing overwhelming feelings of anger, and perpetrating assaults or destruction of property.
