This book offers a concise, knowledgeable guide to the laws governing administrative agencies. In straightforward, readable prose, the authors not only summarize the dominant statutes and case law in the area, but also discuss informal administrative processes and the background realities of the regulatory state. Students can use the book as a complement to any major casebook, and practitioners will also find it an excellent brief introduction to this often confusing subject.

The fourth edition of Constitutional and Administrative Law: Text with Materials provides a wealth of essential materials drawn from a wide range of sources and integrated with lively commentary. It enables students to gain a full understanding of public law by explaining the context of its historical development and current political climate.

This book offers a concise, knowledgeable guide to the laws governing administrative agencies. Read PDF Consutional And Administrative Law Nutshell

This title covers the essentials of international insolvency with a very practical slant, providing the reader with a comparative overview of insolvency law and practice in the key jurisdictions of the world. The intention is to illustrate how the concepts and analyses raised throughout 'The Law and Practice of International Finance' series may be applied in a real world setting.

This book provides a comprehensive overview of the Florida Constitution. After briefly describing the constitution's history (chapter 1), it organizes the constitution's numerous subjects into five discrete units: sovereignty (chapters 2-4); citizens' rights (chapters 5-12); government operations (chapters 13-19); public finances (chapters 20-22); and constitutional amendments (chapters 23-24). Specific sections of the constitution can be accessed quickly using the book's finding table. The text includes more than 1,000 case citations; extensive references to primary and secondary sources; and a select bibliography.

Delegation of Authority to Agencies; Political Controls Over Agency Action; Scope of Judicial Review; Acquiring and Disclosing Information; Informal Administrative Process; Procedural Due Process; Formal Adjudications; Procedural Shortcuts; Rules and Rule Making; Obtaining Judicial Review.
