9 Crime Tours in NYC That Reveal the City ' s Darkest Secrets

Wow!!! I want to thank the entire Crime House crew for their superb treatment of my homage to 1980s exploitation horror!! Everything is spot-on - the cinematography, the ambient music, the lighting. And the special effects are phenomenal - on the same level as a 1980s mainstream horror movie!!! Very proud of this custom, and Crime House ...

True Crime: New York City - President's Club - Benjamin's Studio

The Crime Studio is a collection of absurd and hilarious crime stories set in the city of Beerlight. How does one go about reviewing a collection of short stories, most of which are four pages long or less? Should I talk about Brute Parker, the owner of an all night gun shop? Or Billy Panacea, ace burglar?

'Savage talked about his life as a re-offender. How could someone be offended by the same thing twice? Was nothing learnt?' Beerlight, the city of all of our futures, is not a safe place. Weaponry, rather than fast cars or designer clothes, is the ultimate status symbol. The populace is dedicated to law-breaking, politically incorrect views and hurling abuse and hand grenades at each other. Combining elements of surrealism, film noir and punk rock ethos, Aylett creates a darkly comic landscape that's a cross between a Tarantino film and a Bosch painting, where murder is the ultimate expression of art. The cast of hoodlums includes burglar extraordinaire Billy Panacea, conman-cum-lawyer Harpoon Specter and other fun-loving felons who hang out at the Delayed Reaction Bar on Valentine Street reading the Parole Violators Bugle.

Following the great success of our Gothic Fantasy deluxe edition short story compilations, including Agents & Spies, Murder Mayhem and Lost Worlds, this latest in the series is packed with armchair detectives, murders in the vicarage, family secrets unravelling in gossipy ears, and the ingredients of a genteel bloodbath in an otherwise delightful village. Contains a fabulous mix of classic and brand new writing, with contemporary authors from the US, Canada, and the UK. Classic authors include: Arnold Bennett, Ernest Bramah, Anton Chekhov, Arthur Conan Doyle, Andrew Forrester, R. Austin Freeman, Anna Katherine Green, Maurice Leblanc, Arthur Morrison, Baroness Orczy, Catherine Louisa Pirkis, Edgar Wallace, Israel Zangwill, G.K. Chesterton.

Description "He is dead. It is quite impossible that he should have killed himself. He has been murdered. About half an hour ago. By a long knife passed under the left shoulder-blade into the heart." On a fog-bound London night, a soir é e is taking place in the studio of artist Laurence Newtree. The guests include an eminent psychiatrist, a wealthy philanthropist and an observant young friend of Newtree's, John Christmas. Before the evening is over, Newtree's neighbour is found stabbed to death in what appears to be an impossible crime. But a mysterious man in a fez has been spotted in the fog asking for highly unlikely directions... The resourceful John Christmas takes on the case, unofficially, leading to an ingenious solution no one could have expected, least of all Inspector Hembrow of Scotland Yard. The Studio Crime is the first of Ianthe Jerrold's classic whodunit novels, originally published in 1929. Its impact led to her membership of the elite Detection Club, and its influence can be felt on later works by John Dickson Carr, Ngaio Marsh and Dorothy L. Sayers among others. This edition, the first in over eighty years, features a new introduction by crime fiction historian Curtis Evans. Praise for The Studio Crime "The best out of a new batch of detective stories." J.B. Priestley in The Evening News "Very carefully constructed, is very well written, and keeps its secret until the end." The Morning Post "Can be most heartily recommended to those who like a good mystery story written in good English." Newcastle Chronicle "The book is a pleasantly written record of an admirable piece of detective work." Times Literary Supplement

A powerful collection of chilling crime with new, modern stories and classic tales reaching back into ancient, medieval, Elizabethan and Victorian fiction: from Oedipus Rex to Medea, Thomas More's story of the Princes in the Tower to Scheherazade's 'The Three Apples' and the chilling crime fiction of Dickens, Poe, Henry James, Baroness Orczy and Wilkie Collins. The Flame Tree Gothic Fantasy, Classic Stories and Epic Tales collections bring together the entire range of myth, folklore and modern short fiction. Highlighting the roots of suspense, supernatural, science fiction and mystery stories, the books in Flame Tree Collections series are beautifully presented, perfect as a gift and offer a lifetime of reading pleasure.

"Studios are, at once, material environments and symbolic forms, sites of artistic creation and physical labor, and nodes in networks of resource circulation. They are architectural places that generate virtual spaces-worlds built to build worlds. On the outside, they have become icons of corporate identity, while on the inside, they have remained invisible in order to be seen. As such, they have actively faded into the background of critical discourse and into the margins of film and media history. Recovering their hidden role in the history of visual creation, In the Studio demonstrates that when we foreground these worlds, we gain new insights into moving-image culture and the material, ecological, social, political, and economic dynamics that quietly mark the worlds on our screens. Spanning the twentieth century and moving globally, from Japan to Brazil, Mexico to Moscow, and Hollywood to Dubai, this unique collection tells new stories about studio icons--Pinewood, Cinecitt à , Churubusco, and CBS--as well as the experimental workplaces of filmmakers and artists from Aleksandr Medvedkin to Charles and Ray Eames and Hollis Frampton"--

THERE ' S NEVER BEEN A BOOK LIKE THE TWENTY-YEAR DEATH A breathtaking first novel written in the form of three separate crime novels, each set in a different decade and penned in the style of a different giant of the mystery genre. 1931— The body found in the gutter in France led the police inspector to the dead man ' s beautiful daughter—and to her hot-tempered American husband. 1941— A hardboiled private eye hired to keep a movie studio ' s leading lady happy uncovers the truth behind the brutal slaying of a Hollywood starlet. 1951— A desperate man pursuing his last chance at redemption finds himself with blood on his hands and the police on his trail... Three complete novels that, taken together, tell a single epic story, about an author whose life is shattered when violence and tragedy consume the people closest to him. It is an ingenious and emotionally powerful debut performance from literary detective and former bookseller Ariel S. Winter, one that establishes this talented newcomer as a storyteller of the highest caliber.
