Urgent Care vs. Emergency Care –

Going for Vertigo Treatment

Vertigo and dizziness are often confused. However, they are not the same. When you feel a dizziness during which the room feels like it is spinning or you are

Access PDF Dizziness And Vertigo Emergencies And Management

spinning, this is known as vertigo.

~~Urgent Care vs. Emergency Care
Going for Vertigo ...~~

Peripheral vertigo affects the parts of the inner ear responsible for balance and perceiving motion.

Central vertigo cases are linked to

Acces PDF Dizziness And Vertigo Emergencies And Management

disorders and diseases that affect the brain or brain stem. An episode of vertigo and ringing in the ears could indicate a condition called Meniere's disease. Dizziness is a common problem that can increase with age.
