All men are created equal...' When Thomas Jefferson wrote these words in June 1776, in the American Declaration of Independence, he started something that was very much bigger than he imagined. This book looks at the history around that Declaration, and at the Revolution that led to the birth of the United States of America. If you need lively supplementary reading material, take a look at Oxford Dominoes - the readers series with integrated activities, ideal for individual study or for reading practice in class. The activities in Dominoes keep students engaged in the stories and help to reinforce their understanding of the key language. They can be completed at home or in class. The project activities in Dominoes build on the themes from the story and encourage students to draw on their own experiences. Activities include note-taking and language tasks, leading to extended writing, poster-making, and class presentations. They are ideal for group work in class or individual assignments.

Over the years hunters, poachers, and war have killed many of the gorillas of central Africa. But there are still a few hundred living high in the mists of the Virunga Mountains. When Dian Fossey first saw a family of wild mountain gorillas in the Virungas she knew that she must help these wonderful animals. This true story tells of the twenty years she lived with them, watched them, wrote about them, and protected them. In the end, she gave her life for them.

'We have some wonderful mosaics in Pompeii, but I've never seen a better one than this!' After

the young Roman mosaic designer Felix starts work in Pompeii, his whole life changes. There he falls in love with the beautiful Greek slave Agathe, who can see into the future. When the volcano Vesuvius sends hot ash over the city, Felix - and Agathe's brother Alcander - ride to the port of Misenum for help. But will they reach admiral Gaius Plinius in time, and will they ever see Agathe alive again? Dominoes is a full-colour, interactive readers series that offers students a fun reading experience while building their language skills. With integrated activities, an interactive MultiROM, and exciting, fully dramatized audio for every story, the new edition of the series makes reading motivating for students while making it easy for you to develop their reading and language skills.
