~~UK~~

The DK Visual
Encyclopedia of Science

Download Free Dorling

is a nice compact book. It's just not worth the \$30-\$40 these people are charging. It was originally priced at \$12.99, but some of the sellers have bought it for less than the original price. The book gives glimpses of information on lots of topics.

Dorling

~~Kindersley...~~

There are plenty of science encyclopedias written for older

students, but this one is written and illustrated in an age-appropriate way for younger ones.

Information in the areas of life science, chemistry, physical science, and earth/space science are presented in a broad

Download Free Dorling

fashion, and a glossary at the back of the book will help you look up the meanings of new words.

~~First Science
