It doesn't happen at one point in time, but rather throughout the experiences of life. In this heartwarming children's book, Forever Fingerprints uses a common occurrence a relative's pregnancy as a springboard for discussions on birthparents, where adopted children are before they are born, and how that makes one little girl feel about it. Lucie is excited to feel a baby moving in her Aunt Grace's tummy but it makes her think of how she understands her adoption story in a different way.
