radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage,

Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, *You and Me Forever: Marriage in Light of Eternity* will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, *You and Me Forever* will help you discover the adventure that you were made for

How could a loving God send people to hell? Will people have a chance after they die to believe in Jesus and go to heaven? With a humble respect for God's Word, Francis Chan and Preston Sprinkle address the deepest questions you have about eternal destiny. They've asked the same questions. Like you, sometimes they just don't want to believe in hell. But as they write, "We cannot afford to

be wrong on this issue." This is not a book about who is saying what. It's a book about what God says. It's not a book about impersonal theological issues. It's a book about people who God loves. It's not a book about arguments, doctrine, or being right. It's a book about the character of God. Erasing Hell will immerse you in the truth of Scripture as, together with the authors, you find not only the truth but the courage to live it out.

It is absolutely clear from Scripture that God passionately desires supernatural unity

within His Church. Unity is what Jesus prays for, what He commands, and what He says will be our greatest witness to the world. If unity is so important to the heart of God, why is the Church one of the most divided groups on earth? In his newest book *Until Unity*, New York Times–bestselling author Francis Chan calls for believers and churches everywhere to align our hearts with God and start taking seriously His numerous commands to unify. While many believe doctrine is at the root of the problem, Francis argues that the real problem is the shallowness or non-existence of our love for each other—rooted

Where To Download Francis Chan Crazy Love Study Guide

in a shallowness in our understanding of the gospel. This is what desperately needs to change. The reason that God gifts the Church with leaders is so they can equip God's people in a way that leads to "unity of the faith" (Ephesians 4:13). We have done a poor job at this, but it can all change. Those who are believers will hear the call and be "eager to maintain the unity of the Spirit in the bond of peace" (v. 3). There will be opposition, but we cannot allow anything to discourage us from giving everything we have to the pursuit of a unified, restored Bride.

Jesus gave his followers a command: "Follow me." And a promise: "And I will equip you to find others to follow me." We were made to make disciples. Designed for use in discipleship relationships and other focused settings, Multiply will equip you to carry out Jesus's ministry. Each of the twenty-four sessions in the book corresponds with an online video at www.multiplymovement.com, where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply. One plus one plus one. Every copy of Multiply is designed to do what Jesus did: make disciples who make disciples

Letters to the Church reminds readers how powerful the Church can be and calls this generation to passionately pursue God's vision for His beloved Bride.
