present world, when surely an omnipotent God could have done so instantly, with a single word (the answer is so simple that it may astound you)? The Scriptures say that there are seven Spirits of God (Rev. 3:1, 4:5, and 5:6). There are numerous places throughout the Scriptures where God denotes things in "sevens" or multiples of seven.

The Sevens (7) of the Bible and Prophetic Time  
The integrity of the seven-day cycle, created by God himself, has been maintained ever since man began to walk the earth. Time has never been lost. The time the Eternal set apart as holy during "creation week" was the same one kept by Jesus his entire life. This time, called the Sabbath day, runs from sunset on Friday to sunset on Saturday.

Where did we get the seven day cycle?

2 By the seventh day God had completed the work he had been doing, so on the seventh day he stopped working on everything that he had done. 3 Then God blessed the seventh day and made it holy, because on it God stopped working on everything that he had been creating. Genesis 2:1-3 Continued in Genesis 2:4-3:24 Also read: Exodus 20:11. More Information:

## 83 Bible verses about Seven Days

The Bible shows us that God has a 7000-year plan for human development: a) God sets a pattern in Genesis of 7 days - 6 days for creation and 1 day of rest. b) The Millennium is referred to many times as the "rest".

No. Even God would laugh at that claim. The Big Bang Theory clearly states that the universe and its celestial bodies were created in billions of years. I trust science over faith that God created the world in a mere 7 days. You make a great point too!

God created the world in seven day is this true? | Yahoo ...

A week is a time unit equal to seven days. It is the standard time period used for cycles of rest days in most parts of the world, mostly alongside—although not strictly part of—the Gregorian calendar. In many languages, the days of the week are named after classical planets or gods of a pantheon. In English, the names are Sunday, Monday, Tuesday, Wednesday, Thursday, Friday and Saturday, then returning to Sunday. Such a week may be called a planetary week. This arrangement is similar to ...

Creation Day 7 (Genesis 2:1-3) God rests. This in no way indicates He was weary from His creative efforts, but denotes that the creation is complete. Further, God is establishing a pattern of one day in seven to rest. The keeping of this day will eventually be a distinguishing trait of the God's chosen people (Exodus 20:8-11).

Yes - this would split into two CTAPs - the first for the 12 months to 31st March 2012 and the second for the 6 days to 6th April 2012. But why go to all this trouble? Just prepare accounts for the year to 31st March 2012 as usual, which would show substantial retained profits, sufficient to cover the dividend to be declared on 6th April 2012 (or later in the 2012/13 tax year).
