How Life Works is all about one deep notion--If you want to see it happen, you need to "feel" it happen. Andrew Mathews, as always in a very simple understandable way, explains that it's not what happens to us that matters, it's how we If there is one person I need to thank for having taught me how to live my life other than my mother, it is Andrew Mathews.

How life works - Andrew Matthwes
But of course it would happen at this time, since things in life happen exactly when they are supposed to happen. Of course, sometimes we can speed things up a little bit, but in general things are going to play out pretty close to when the Universe, and our way of thinking decides it should happen.

How Life Works : Andrew Matthews : 9780987205780

I have been reading Andrew Matthews work for around 16 years and this is not a let down .the book is less repetitive compared to his `happiness in hard times ` and covers other areas of the physical world merging with the psychological world . This book is easy to read for people wanting change in they`re lives .
