I started a new job three months ago and have  
a huge problem, which is, I am totally in  
love with my boss. He is seriously the  
nicest, smartest man I've ever met. He is  
married but getting divorced. I think he  
might like me, too. I know we can't date  
while we work together, so I'm thinking of  
finding a new job.

I'd never put it at risk. But eventually it got to a point where I couldn't take it anymore. I couldn't concentrate on work, as he was the only thing I could think of.

*I told my boss I'm in love with him | Love Letters*

I'm falling in love with my boss. If you have fallen in love with your boss it does not necessarily mean that there is something wrong with you. Many people experience either reciprocated or unreciprocated affections from a boss for whom they have developed feelings.
