MacBook Pro Repair - iFixit

Write a short summary for your guide. The summary is used in search results, so keep it brief (one or two sentences), and include any terms or phrases that your readers would be likely to search for. A good example of a summary might be, "Fix a hole in your jeans by sewing on a denim patch." Add the "Fast Fix" tag to your guide.

Create A Guide — iFixit EDU

Click the "Create a Guide" button on your device page. For guide type, choose "Replacement". All your guides should be replacement guides for your device's components, unless you've made arrangements in advance to do something different. Don't change the text in the "Device" field. This is filled in automatically and must exactly match the name used on your device page.
