Définition de Tristan Quinn : nom masculin évoquant l'arrogance et le sex-appeal poussés à l'extrême. Synonymes : ex-demi-frère et ex tout court, mais surtout roi des emmerdeurs. À 15 ans, il était mon pire ennemi. À 18 ans, mon premier amour. À 25 ans, je le retrouve, par le plus triste hasard de la vie... Sauf qu'il est redevenu tout ce que je déteste.

His challenge? Make her fall in love with him.Her challenge? Play the player.Until life changes the rules of the game.Maddie Stevens hated Braden Carter on sight. Arrogant, egotistical, and the playboy of the University of California, Berkeley, he's everything her brother Pearce has taught her to despise. So why, when the girls challenge her to play the player, doesn't she say no? She doesn't know either.Braden wanted fiery little Maddie the second he laid eyes on her - and he'd do anything to have her, hence why he's agreed to make her fall in love with him. After all, it's the only way he'll get what he wants. Sex.But, as Braden discovers, there's more to the girl from Brooklyn than he ever imagined - and he can't help but care about the broken girl behind those pretty green eyes.Maddie finds Braden isn't just a walking erection - he actually has feelings. He can be sweet, funny and his good looks don't exactly hurt. That means trouble - but when her brother Pearce turns up in Berkeley begging for her help, she realises Braden and Pearce aren't so alike anymore.And maybe, just maybe, they're exactly what each other needs.

Madame Bovary is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for le mot juste ("the precise word"). Madame Bovary takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid, kindhearted man without much ability or ambition. Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. The celebrated short story writer Maupassant was a protégé of Flaubert.

The S.I.N. series continues with the seductive follow-up to the Stark International Novel *Dirtiest Secret*, from the New York Times bestselling author of “red-hot and angsty” fiction that “keeps readers guessing” (Publishers Weekly, on *Under My Skin*). No one can know about our love—and hiding only makes it hotter. Dallas Sykes has a reputation. He is known for his parties, his money, and the countless women on his arm. Yet the Dallas I know is a different man—darker, smarter, and unbearably sexy. Just one look from him can leave me breathless; the anticipation of his touch can make me lose control. Inextricably bound by our past, we keep each other’s secrets. And while there are people who have the power to hurt us, it’s the truth that threatens us most of all. Dallas can be mine only behind closed doors, our passion as searing as it is forbidden. Yet nothing in this world has ever felt so desperately, deliciously right. Praise for *Hottest Mess* “J. Kenner has done an amazing job writing about this delicate subject. . . . Be prepared for a roller coaster filled with twists and turns, ups and downs, hope, heartbreak and cliffhangers.”—Book Boyfriend Blog “The heat practically radiates from the page. . . . This book is sexy, romantic, steamy and thrilling all wrapped into one extremely well written package.”—Books & Boys Book Blog “Kenner continued to push the boundaries with this edgy, passionate story. Forbidden love has never felt quite so right as it did between the perfect, combustible pairing of Dallas and Jane.”—Harlequin Junkie “Gripping and consuming . . . *Hottest Mess* reveals the heartbreak and pain of betrayal, [and] the need for revenge.”—The Reading Cafe “Kenner has created a fascinating world with raw and intriguing characters that you want to root for. . . . This is a series not to be missed!”—About That Story Praise for J. Kenner’s *Dirtiest Secret* “[A] high-octane contemporary, the first in [Kenner’s] new Stark International Novel (S.I.N.) trilogy . . . Kenner skillfully builds a top-notch thriller.”—Publishers Weekly “Fans of Kenner’s steamy, decadent and daring plotlines will feel right at home in her new S.I.N. series and revel in the escapades of her tortured characters and their forbidden passion. As always, Kenner delivers a sensual and heady physical relationship, fraught with danger, forbidden love and high-stakes complications.”—RT Book Reviews “Strong writing propels an exciting tale of longing, danger, and forbidden desire. The ending’s twist will leave readers eager for the next installment.”—Library Journal *Hottest Mess* is intended for mature audiences.

Rayne McDonald, a goth vampire and vampire slayer, must go undercover as a cheerleader at her high school to find out what happened to the captain of the football team, who has disappeared, and to see if the peppy cheerleaders are really werewolves.

"When two soldiers are found dead on a huge military base in California, apparently killed by gunshot, military investigators are stumped. Who is killing its soldiers, inside the secure confines of its own base? And why? The FBI is called in, and Riley Paige is summoned to take the lead. As Riley finds herself immersed in the military culture, she is amazed to realize that serial killers can strike even here, in the midst of the most secure location on earth. She finds herself in a frantic cat and mouse chase, racing to decode the killer's psychology. Yet she soon discovers she is up against a highly-trained killer, one that may, even for her, be too deadly an opponent"--Page [4] of cover.

Anne of Green Gables is a children’s classic by Canadian author L. M. Montgomery and recently adapted by Netflix in the hit series *Anne* with an E. 11-year-old Anne is mistakenly sent away from her orphanage to live on Prince Edward Island with brother and sister Matthew and Marilla Cuthbert who need help on their farm. Wild and imaginative Anne learns to find her place in the little town of Avonlea, makes friends, and strives to be the best in school. A children and adults' favourite Anne's tale of is one of love, individuality, and (mis)adventures. Lucy

Maud Montgomery (1874-1942) was a Canadian author. She is most famous for her novel *Anne of Green Gables* that was an instant hit and became a series that is still enjoyed by children and parents the world over. She grew up on Prince Edward Island and was raised by her grandparents after her mother's early death. Much like her most famous character, Anne, Montgomery had a lonely childhood for which she found relief in the beautiful nature of Prince Edward and in her fierce imagination, which she very early on turned into writing. She is a canon of Canadian and children's literature with over twenty novels, and hundreds of short-stories, poems, and essays to her name.

Beach... After some bad news, Ella jets off to sunny Bermuda for a bit of solo R & R.... Bar... By day six, surrounded by honeymooners and smug marrieds, she has to admit the solo bit is getting a teeny bit boring! Why say no to a casual date at the bar with ripped, tanned and enigmatic Cooper Delaney? Baby! It's really not Coop's style to flirt with tourists, let alone hook up with one again. But he can't get the sweet London girl out of his head. A business trip to Europe is the perfect chance to see her. Only he finds Ella curvier, prettier...and keeping a secret he was so not expecting...!

A collection of masterful short stories in Julio Cortazar's sophisticated, powerful and gripping style. 'Julio Cortázar is truly a sorcerer and the best of him is here, in these hilariously fraught and almost eerily affecting stories' Kevin Barry A grieving family home becomes the site of a terrifying invasion. A frustrated love triangle, brought together by a plundered Aztec idol, spills over into brutality. A lodger's inability to stop vomiting bunny rabbits inspires a personal confession. As dream melds into reality, and reality melts into nightmare, one constant remains throughout these thirty-five stories: the singular brilliance of Julio Cortazar's imagination. WITH A NEW INTRODUCTION BY KEVIN BARRY 'Anyone who doesn't read Cortázar is doomed' Pablo Neruda

From the international bestselling author of *Blood Men* comes a gripping new thriller that paints a brutally vivid picture of a killer's mind. People are disappearing in Christchurch. Cooper Riley, a psychology professor, doesn't make it to work one day. Emma Green, one of his students, doesn't make it home. When ex-cop Theodore Tate is released from a four-month prison stint, he's asked by Green's father to help find Emma. After all, Tate was in jail for nearly killing her in a DUI accident the year before, so he owes him. Big time. What neither of them knows is that a former mental patient is holding people prisoner as part of his growing collection of serial killer souvenirs. Now he has acquired the ultimate collector's item—an actual killer. Meanwhile, clues keep pulling Tate back to Grover Hills, the mental institution that closed down three years ago. Very bad things happened there. Those who managed to survive would prefer keeping their memories buried. Tate has no choice but to unearth Grover Hills' dark past if there is any chance of finding Emma Green and Cooper Riley alive. For fans of Dennis Lehane's *Shutter Island*, Thomas Harris' *Silence of the Lambs*, and Jeff Lindsay's *Dexter* series, *Collecting Cooper* is another "relentlessly gripping, deliciously twisted, and shot through with a vein of humor that's as dark as hell" (Mark Billingham) novel by this glimmering new talent in the crime thriller genre.

Recounts Hardin's first encounters with Tessa and their ensuing love affair that became a vortex pulling in everyone around them.
