All things considered, the Kama Sutra can be viewed as a guide to the philosophy of life through the lens of sexual desire. It teaches how one can fulfill their sexual desire in a healthy way that maintains the fabric of Society and family life whilst ensuring that the individual's authentic sexual desires are fulfilled because they are recognised as legitimate and fundamental.

You will also find three contributions from my wife so that you can decide yourself whether she is happy or not. I hope that you enjoy reading this account and that it will help release your Genie.

The world's oldest and most widely read guide to the pleasures and techniques of sex, the Kama Sutra was compiled in the fourth century A.D. by a Brahmin and religious scholar name Vatsyayana, who worked from texts dating back to the fourth century B.C. Until the present, the only English translation of his Hindu love classic was that of the famous English explorer Sir Richard Burton, published in 1883. Unlike Burton's version, Alain Dani\u00e9lou's new translation preserves the numbered verse divisions of the original and includes two essential commentaries: the Fayamangala commentary, written in Sanskrit by Yashodhara during the Middle Ages, and a modern Hindi commentary by Devadatta Shastri. Whereas Burton's Victorian reluctance to translate certain terms obscured our understanding of the philosophy and techniques of the Kama Sutra, Dani\u00e9lou has preserved the full explicitness of the original, dealing with everything from the art of scratching to relations with the wives of others. Realistic and pragmatic in its approach, the Kama Sutra deals without ambiguity or hypocrisy with all aspects of sexual life--including marriage, adultery, prostitution, group sex, sadomasochism, male and female homosexuality, and transvestism. The text paints a fascinating portrait of an India whose openness to sexuality gave rise to a highly developed expression of the erotic.

Transform your lovemaking into erotic ecstasy with the secrets of the Kama Sutra -- the most ancient, renowned and explicit guide to sexual pleasure.

Since its inception in the 2nd Century B.C, Kamasutra has become synonymous with the art of making love. From your neighbor to your teacher that you have a little crush on to your partner (hopefully); everyone in every corner of the globe has heard of it or is aware of the Kamasutra to some degree. Unfortunately, this general awareness of the term is usually where the knowledge stops and the mythology begins. I used the term 'art of making love' earlier because that's something that I really want to emphasize here; that having sex can be and is truly an art form. There's so much more to it than simply stripping off your clothes, having a quick play with one another before some rushed intercourse and trying to get off. That's a practice that this book hopes to abolish. Kamasutra was written roughly in the 2nd Century B.C. During this period, the original author (more on that in Chapter One) was millions of years behind the modern society when it comes to the art of having sex. His religion saw sex as one of the many things a person had to achieve spiritual harmony. Therefore, as it was so encouraged, it only makes sense to try and do it right. The western society has unfortunately developed a different attitude when it comes to sexual congress. This negative view of late prevents westerners from having great sex. We are subjected to a 'behind closed doors' policy where the idea of openly discussing sex is publicly criticized and derided. As a result we are forced to learn as we go along; usually resulting in basic missionary position and, if we're feeling really frisky, doggy. If we can do this once a week, commend yourself for getting it done and then wait for the next inevitable tame session. And we call this having sex. Not anymore. That life you used to lead where you normally ponder whether you should get more sleep or have sex with your partner, as if there was even a choice here, is gone. For that, you can thank the Kamasutra. The only real problem with Kamasutra is that it's a little out of date. To its credit, it is over 2,000 years old and is still extremely relevant in many places. However, some of the teachings are a little archaic for modern dater. If you were to read it in its entirety, you'd probably think that you were picking up the wrong book. That's where this book comes into play. What you're going to get from this book is a modern-day Kamasutra, updated from the original text over 2,000 years ago. I've scoured through the entire book, provided the necessary tips and added a few new and improved ones. Yes, you will get a list of the best positions and how to do them. After all, that is the crux of the Kamasutra. But I'll even go further than that. I'll be providing you with tips on how to come up with your own positions. And more than that, this book will also be going into detail on the all-important foreplay, something that the original Kamasutra was very concerned with and you should too. It should be noted that Kamasutra is about so much more than just having sex. Anyone can have sex (they hope). It's about having sex properly and what is achieved by doing so. Sex is a part of everyday life and has the ability to improve our lives if done properly. This book is about learning how to have that sex. Most would agree that it is life changing; I mean really, isn't that alone should be enough?

Kama Sutra and Sex Positions Kama Sutra: A Modern Guide to Love Making and Kama Sutra is a modern book for the modern lovers. This couples guide is complete with a variety of fun Kama Sutra positions to try, several tips and tricks to enhance your experience, and a guide of which sex toys to choose for your bedroom fun. So let us explore together and read this amazing book! Buy your own copy TODAY and enjoy!

The Kama Sutra is an ancient Indian Hindu text written by V tsy yana. It is widely considered to be the standard work on human sexual behaviour. A portion of the work consists of practical advice on sexual intercourse. "K ma" means desire including sexual desire, and "s tra" literally means a thread or line that holds things together."

Timeless management wisdom taken from the classics of Indian literature Most people don't know The Kama Sutra isn't just about sex; much of it is about wise leadership. The Kama Sutra of Business is based on Indian history and literature, drawing lessons for business and life from the remarkable stories of great leaders and their adventures. Vittachi uses these sources, including The Bhagavad-Gita and The Kama Sutra to present valuable management lessons and introduce the world's first management guru, who wrote a classic text on economics some 2,000 years ago. Peppered with fascinating facts and ageless business and management wisdom, The Kama Sutra of Business looks at good business practices from a fascinating historical perspective. Nury Vittachi (Hong Kong) is Hong Kong's bestselling English-language author. He wrote the popular "Traveller's Tales" in the Far Eastern Economic Review and has also written for the South China Morning Post.
