In this adventure, Annabeth encounters more oddities in the subway than usual, including a two-headed monster and a younger blond girl who reminds her a little of herself. This is the story fans have asked for, in which Annabeth Chase teams up with Sadie Kane. The demigod daughter of Athena and the young magician from Brooklyn House take on a larger-than-life foe from the ancient world. Perhaps even more disturbing than the power-hungry god they encounter is the revelation that he is being controlled by someone—someone all too familiar to Sadie. As a special bonus, the first chapter of THE BLOOD OF OLYMPUS, the final book in the Heroes of Olympus series, is included.

Best-selling author Rick Riordan presents Lori M. Lee's middle grade debut about a lonely Hmong girl who discovers she's a powerful shaman warrior in this fantasy inspired by Southeast Asian mythology. "I love the adventures Pahua has in this book. I also love the sense of humor, the clever plotting, and the fantastic cast of characters. But most of all I love Pahua: her courage, her kindness, and her love for family."--Rick Riordan Pahua Moua has a bit of a reputation for being a weirdo. A lonely eleven-year-old Hmong girl with the unique ability to see spirits, she spends her summer days babysitting her little brother and playing with her best friend, a cat spirit no one else can see. One day Pahua accidentally untethers an angry spirit from the haunted bridge in her neighborhood--whoops. When her brother suddenly falls sick and can't be awoken, Pahua fears that the bridge spirit has stolen his soul. She returns to the scene of the crime with her aunt's old shaman tools, hoping to confront the spirit and demand her brother's return. Instead, she summons a demon. Thankfully, a warrior shaman with a bit of an attitude problem shows up at the last minute and saves her butt. With the help of this guide, Pahua will have to find her way through the spirit worlds and rescue her brother's soul before it's too late. Little does she know she'll have her own discoveries to make along the way. . . . With its unforgettable characters, unique nature-based magic system, breathtaking twists and reveals, and climactic boss battle, this story based on Hmong oral tradition offers everything a fantasy lover could want. The trouble starts when Apollo introduces Percy and his friend Grover the satyr to the Chryseae Celedones. Three golden women--living statues--appear in front of them, and sing one blissful chord. Apollo has a concert tonight at Mount Olympus, and he needs the Celedones as his backup singers. But there should be a quartet, not a trio--one of the singers has gone rogue. It's up to Percy and Grover to find the missing Celedon somewhere in New York City before she causes any problems. Capturing an attention-seeking automaton in a crowd of mortals is going to require some cagey thinking. Will Percy and Grover succeed, or hit a sour note?

Carter and Sadie Kane, descendants of the magical House of Life, are in pretty big trouble. Despite their bravest efforts, Apophis, the giant snake of Chaos, is still threatening to plunge the world into eternal darkness. Now the Kanes must do something no magician has ever managed - defeat Apophis himself. No pressure there then. Battling against the forces of Chaos, their only hope is an ancient spell - but the magic has been lost for a millennia. Will they find the serpent's shadow, or will they be led to their deaths in the depths of the Underworld? Don't miss any of the explosive action in the final thrilling instalment of the Kane Chronicles Trilogy.
