Ages 5-7 As they learn the basics of reading, writing, and math, your kids can use these toys to build new skills for kindergarten and beyond!

Learning Toys for 5-7 Year Old's and Big Kids

Five- to 7-year-olds like to copy their friends and peers and begin developing strong feelings of loyalty. Clubs and games are popular activities. Rules are important to them, and they make up games with complicated dos and don'ts. Increased ability to understand the "how" and "why" of things means that 5- to 7-year-olds are less fearful.

How We Rate and Review by Age: 5-7 Years | Common Sense Media

• Copies of the soliloquy "The seven ages of man," with each of the seven ages on a different sheet of paper (As You Like It, 2.7.139-166) • The 2009 education calendar from the Utah Shakespearean Festival, available by calling the Festival education office at 435-865-8333 (optional) Anticipatory set/hook:
