An established critic in environmental and literary circles, Van Rensselaer wrote for the general public in such journals as the Century Magazine and for a specialized audience of landscape architects in Garden and Forest. She was a long-time contributor to American Architect and Building News, the first architectural journal in the United States. She is an engaging and accessible writer, and her articles on Frederick Law Olmsted and the Boston Public Library won great praise.

November 1891, the heart of Gilded Age Manhattan. Thousands filled the streets surrounding Madison Square, fingers pointing, mouths agape. After countless struggles, Stanford White—the country's most celebrated architect was about to dedicate America's tallest tower, the final cap set atop his Madison Square Garden, the country's grandest new palace of pleasure. Amid a flood of electric light and fireworks, the gilded figure topping the tower was suddenly revealed—an eighteen-foot nude sculpture of Diana, the Roman Virgin Goddess of the Hunt, created by Augustus Saint-Gaudens, the country's finest sculptor and White's dearest pal. The Grandest Madison Square Garden tells the remarkable story behind the construction of the second, 1890, Madison Square Garden and the controversial sculpture that crowned it. Set amid the magnificent achievements of nineteenth-century American art and architecture, the book delves into the fascinating private lives of the era's most prominent architect and sculptor and

the nature of their intimate relationship. Hinman shows how both men pushed the boundaries of America's parochial aesthetic, ushering in an era of art that embraced European styles with American vitality. Situating the Garden's seminal place in the history of New York City, as well as the entire country, *The Grandest Madison Square Garden* brings to life a tale of architecture, art, and spectacle amid the elegant yet scandal-ridden culture of Gotham's decadent era.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 26. Chapters: Events at Madison Square Garden, Fuse Rocks The Garden, Madison Square Garden, Inc., Madison Square Garden Pro, MSG (TV network), MSG Plus. Excerpt: Madison Square Garden (often shortened to MSG or just "the Garden") is a multi-purpose indoor arena in midtown Manhattan in New York City, in the U.S. state of New York. Located between Seventh and Eighth Avenues from 31st to 33rd Streets, it is situated atop Pennsylvania Station. Opened in 1968, it is the fourth venue to bear the name, the first two of which were located on Madison Square, with the third Madison Square Garden further uptown at Eighth Avenue and 50th Street. The Garden is used for professional basketball and ice hockey, as well as boxing, concerts, ice shows, circuses, and other forms of sports and entertainment. It resides in close proximity to other Manhattan landmarks, including the Empire State Building, Koreatown, and Macy's at Herald Square. Opened on February 11, 1968, it is now the oldest active major sporting facility in the New York metropolitan area and is the oldest arena in the National Hockey League and the second-oldest arena in the National Basketball Association (after the Oracle Arena in Oakland, California). Madison Square Garden is the third-busiest music arena in the

world in terms of ticket sales, behind Manchester Arena and The O2 Arena, both in England. At a total construction cost of approximately \$1.1 billion, Madison Square Garden has been ranked as one of the ten most expensive stadium venues ever built. It is part of the Pennsylvania Plaza office and retail complex. Several other operating entities related to the Garden share its name. On February 11, 1968, the current Madison Square Garden (sometimes referred to as Madison Square Garden IV) opened after the Pennsylvania Railroad tore down the above-ground portions of...
