sustainability, quality cost, lean accounting, international accounting, enterprise risk management, and forensic and fraud accounting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Many corporate managers struggle to see the relevance of accounting in their everyday responsibilities. Weygandt shows them how managerial accounting information fits in the larger context of business so they are better able to understand the important concepts. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, readers will have numerous opportunities to think about what they have just read and then apply that knowledge to sample problems.

Weygandt's 7th Edition of "Managerial Accounting" continues to provide necessary tools required to succeed in the accounting industry on a variety of levels with more in-depth and enhanced information on decision-making skills and techniques as well as concepts for managerial accounting. An increased number of People, Planet, and Profit feature boxed have been included in the new edition, along with a more dynamic decision making toolkit feature.

With its easy-to-understand presentation and hands-on learning approach, **MANAGERIAL ACCOUNTING: A FOCUS ON ETHICAL DECISION MAKING** gives you everything you need to know as you face the challenges and rewards of the business world. The authors use realistic companies and real issues to clearly
