Framework for Marketing Management is a concise adaptation of the gold standard marketing management textbook for professors who want authoritative coverage of current marketing management practice and theory, but they want the flexibility to add outside cases, simulations, or projects. Development of marketing strategies, market demand and environments, creating customer value, analysis of consumer markets, market segmentation, brand loyalty, the Product Life Cycle, managing mass communication, and marketing management in the global economy. This text is for companies, groups, and individuals who want to adapt their marketing strategies and management to the marketplace of the twenty-first century.

Revised edition of Marketing management, 2012.

The classic Marketing Management is an undisputed global best-seller - an encyclopedia of marketing considered by many as the authoritative book on the subject. This third European edition keeps the accessibility, theoretical rigour and managerial relevance - the heart of the book - and adds: * A structure designed specifically to fit the way the course is taught in Europe. * Fresh European examples which make students feel at home. * The inclusion of the work of prominent European academics. * A focus on the digital challenges for marketers. * An emphasis on the importance of creative thinking and its contribution to marketing practice. * New in-depth case studies, each of which integrates one of the major parts in the book. This textbook covers admirably the wide range of concepts and issues and accurately reflects the fast-moving pace of marketing in the modern world, examining traditional aspects of marketing and blending them with modern and future concepts. A key text for both undergraduate and postgraduate marketing programmes.
