Christopher Gill provides a new translation and commentary on the first half of Marcus Aurelius' Meditations, and a full introduction to the Meditations as a whole. The Meditations constitute a unique and remarkable work, a reflective diary or notebook by a Roman emperor, that is based on Stoic philosophy but presented in a highly distinctive way.

Though Marcus Aurelius offers great wisdom the new translation offers the stoic cliches stated so colloquially that we've heard them all before. Meditations are statements to be slowly chewed, savored and deeply thought about; while I feel the current translation offers Aurelius in a more ambiguous, predigested and less flavorful form.
