I know a lot of guys with the 502 Mag, and the original 454 Mag.. I don't think anybody I know has ever had a problem with either of those motors, they are pretty bullet proof. The early 496's had a bunch of problems, but I think they are all sorted out now. personally I would go EFI over Carb's, unless you plan on supercharging it down the ...

## MerCruiser GM 454/502 Workshop Service Repair Manual

My thought was if you started with a base 502 mag someone could do a variety of upgrades if the ecu issue could be resolved since it has better internal components than the 496 mag.

Example: a 502 ho with a whipple supercharger and emi exhaust, it would have a potential hp output somewhere around 550-575?? or more as long as the ecu issue gets ...
