~~Missing Out | Adam Phillips | Macmillan~~

Missing Out: In Praise of the Unlived Life may be the first of Phillips ' s many books explicitly devoted to this topic, but his work has in fact touched on these issues many times before. But then again, if a large proportion of Phillips ' s writing over the years has been concerned, in one way or another, with the haunting conviction that one is missing out on something important, this might simply be because a great deal of human life is colored if not dominated by this concern.
