Hebrew, books in Hebrew, Hebrew language

An accessible introduction to the Hebrew language

Eucharist (Delivered directly from the altar of Christ)

Anyone interested in learning to read the Hebrew Bible in its original language will find within the pages of this book all the resources needed to begin this wonderful journey. The book is laid out in four parts. The first part teaches the Hebrew alphabet through a series of lessons. The second part teaches word and sentence structure of the Hebrew language by breaking down each Hebrew word in Genesis chapter one, verses one through five. The Hebrew text of Genesis chapter one is provided for reading and comprehension practices in part three. The fourth part of the book contains charts and dictionaries of prefixes, suffixes, words and roots of the Hebrew language to assist the reader with vocabulary definitions and comprehension. Within a short amount of time the Hebrew student will soon be reading the Bible through the eyes of the author rather than the opinions of a translator. ABOUT THE AUTHOR Jeff Benner has had a long interest in the Hebrew language of the Bible and in 1996 he began researching the ancient pictographic alphabet used by the Hebrew people and other Semitic tribes. He has made many significant discoveries linking the ancient Hebrew culture with the ancient Hebrew language and alphabet. In 1999 Jeff founded the "Ancient Hebrew Research Center" to research and teach Biblical understanding through the alphabet and language to those with little or no Hebrew background. Jeff's current project is the Ancient Hebrew Lexicon of the Bible. This Lexicon defines Hebrew words of the Bible according to their cultural context revealing the original Hebraic meanings of Biblical passages and words.

Ben-Yehuda's vision of a modern Hebrew eventually came to animate a large part of the Jewish world, and gave new confidence and pride to Jewish youth during the most difficult period of modern history, infusing Zionism with a dynamic cultural content. This book examines the many changes that occurred in the transition to Modern Hebrew, acquainting new students of the language with its role as a model for other national revivals, and explaining how it overcame many obstacles to become a spoken vernacular. The author deals primarily with the social and political use of the language and does not cover literature. Also discussed are the dilemmas facing the language arising from the fact that Israelis and Jews in the Diaspora "don't speak the same language," while Israeli Arabs and Jews often do.

Charts of Biblical Hebrew provides students of biblical Hebrew with a unique study aid. This innovative language resource contains 130 of the most vital charts for instant access. Featuring two color design, Charts of Biblical Hebrew is cross-referenced to Pratico and Van Pelt's Basics of Biblical Hebrew and may be used with other first-year biblical Hebrew textbooks as well. The charts are also an ideal means of review for advanced students.

Colloquial Hebrew provides a step-by-step course in Hebrew as it is written and spoken today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Hebrew in a broad range of situations. No prior knowledge of the language is required. Key features include: • progressive coverage of speaking, listening, reading and writing skills • structured, jargon-free explanations of grammar • an extensive range of focused and stimulating exercises • realistic and entertaining dialogues covering a broad variety of scenarios • useful vocabulary lists throughout the text • additional resources available at the back of the book, including a full answer key, a grammar summary and bilingual glossaries Balanced, comprehensive and rewarding, Colloquial Hebrew will be an indispensable resource both for independent learners and students taking courses in Hebrew. Audio material to accompany the course is available to download freely in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.
