Where To Download Natick Dictionary Smithsonian Insution Bureau Of American Ethnology

Scholars have long worked to identify the names of tribes and other groupings in the Americas, a task made difficult by the sheer number of indigenous groups and the many names that have been passed down

Where To Download Natick Dictionary Smithsonian

only through oral tradition. This book is a compendium of tribal names in all their variants--from North, Central and South America--collected from printed sources. Because most of these original sources reproduced words that had been encountered only orally, there is a great deal of

Where To Download Natick Dictionary Smithsonian

variation. Organized alphabetically, this book collates these variations, traces them to the spellings and forms that have become standardized, and supplies see and see also references. Each main entry includes tribal name, the "parent group" or ancestral tribe, original source for the tribal name,

Where To Download Natick Dictionary Smithsonian

and approximate location of the name
in the original source material.

Bulletin 25

Armed with Bible and primer,
missionaries and teachers in colonial
America sought, in their words, “ to

Where To Download Natick Dictionary Smithsonian

Christianize and civilize the native heathen.” Both the attempts to transform Indians via schooling and the Indians' reaction to such efforts are closely studied for the first time in Indian Education in the American Colonies, 1607–1783. Margaret Connell Szasz ' s remarkable

Where To Download Natick Dictionary Smithsonian

synthesis of archival and published materials is a detailed and engaging story told from both Indian and European perspectives. Szasz argues that the most intriguing dimension of colonial Indian education came with the individuals who tried to work across cultures. We learn of the

Where To Download Natick Dictionary Smithsonian

remarkable accomplishments of two Algonquian students at Harvard, of the Creek woman Mary Musgrove who enabled James Oglethorpe and the Georgians to establish peaceful relations with the Creek Nation, and of Algonquian minister Samson Occom, whose intermediary skills led to the

Where To Download Natick Dictionary Smithsonian

foundings of Dartmouth College. The story of these individuals and their compatriots plus the numerous experiments in Indian schooling provide a new way of looking at Indian-white relations and colonial Indian education.
