Pro tip: To help with consistency, create a simple nonprofit branding guide that outlines your main design elements, the typography, the logo, and other elements of the brand. Make sure the guide includes rules for what's allowed and what isn't when it comes to using those elements online and offline. For example, you could make it clear that your logo is not to be stretched or used on ...

Forming a new non-profit is a process that involves two distinct steps. Generally, interested parties that are not yet a 501(c)3 will need to file articles of incorporation with the appropriate agency in their state (usually the state's secretary of state). Next, they will also need to secure federal income tax exemption by filing the appropriate forms with the Internal Revenue Service (IRS ...
