Later-life widowhood is

Read Online Older Widows

the expectation of most older wives, since statistically women live longer than men and tend to marry men older than themselves. Despite this there has been little coverage of the complexities of later-life widowhood. In this book Pat Chambers redresses this balance, combining an analysis of the literature that does

of widowers over 65 remarry, however, those who remarry do so more quickly than women who remarry.

The men tend to marry a widow close to them in age and someone they already know. In the current study, only 17 of the 51 men remarried – the youngest at age of 54 and the oldest at age 81.
