ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This market-leading text for grammar courses is a comprehensive description of sentence structure that encourages students to recognize and use their innate language expertise as they study the systematic nature of sentence grammar. A practical blend of the most useful elements of both traditional and new linguistic grammar, the text emphasizes whole structures, most specifically the ten basic sentence patterns introduced in Chapter 3. Two key features separate this book from others: its clear organization and its user-friendly, accessible language. Both students and teachers appreciate the self-teaching quality that incremental exercises provide throughout the chapters, with answers at the end of the book. 0321891260 / 9780321891266 Understanding English Grammar Plus NEW MyCompLab -- Access Card Package Package consists of: 0205209521 / 9780205209521 Understanding English Grammar 020589190X / 9780205891900 NEW MyCompLab - Valuepack Access Card

This eText represents an electronic version of the well-known print edition, Understanding and Using English Grammar, 4th Edition ISBN 978-013343805-6. A classic developmental skills text for intermediate to advanced English language learners, Understanding and Using English Grammar is a comprehensive reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the fourth editin more fully develops communicative and interactive language-learning activities. Some of the new features are: Innovative Warm-Up exercises that precede the grammar charts and introduce points to be taught! Structure-based listening exercises ranging from casual speech to academic content Academic readings that highlight the targeted grammar structures Greatly expanded speaking practice with extensive pair, group, and class work Corpus-informed syllabus that reflects that discourse patterns of spoken and written English Listening Script included

Focus on Grammar, now in a new edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include: - Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. - Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. - Fully redesigned grammar charts and notes that provide greater clarity. - Explicit pronunciation activities to improve fluency and accuracy. - Expanded listening tasks allow students to develop a range of listening skills. - Flexible, ongoing assessment -- including unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. - Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. - Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. MyEnglishLab: Focus on Grammar, includes the complete Student Book listening program as well.

Contains all the audio tracks for use with the Students' Book.

The Pearson English series has been specifically developed to meet the content and assessment requirements of the new Australian Curriculum: English. The series has been carefully crafted by practicing teachers and has been trialled in schools to ensure that all tasks are 'classroom ready'.
