Poor Charlie's Almanac has been on my reading list for the last couple of years. It took me a six-month sabbatical (and then some) to get through it. This is a testament to the information, lessons, references and stories from Charlie Munger. Fundamentally, this book is an encyclopedia of information on what it takes to be successful and to achieve greatness in what it is you want to do in life; all from a very successful and extremely well read (and connected) 90-ish
