School Zone sticker workbooks provide a fun-filled introduction to important readiness skills. Each workbook is carefully designed and reviewed by teachers to promote your child's early learning success. The interesting activities, clear directions, and interactive stickers will provide hours of educational fun for your child. The Get Ready for School sticker workbook introduces your child to a variety of readiness basics through playful activities. The interesting lessons focus on counting and adding objects and money, interpreting graphs, identifying basic geometric shapes and patterns, understanding sequences, identifying beginning sounds, matching and comparing, reviewing alphabetical and numerical order, and more. Letter, number, and picture stickers enhance your child's learning adventure. (64 pages | Ages: 4-6)

Now learning the ABCs is quicker with "€"stickers , Trace Q. Then write Q. Then place the stickers that show the Q sound, like Quarter and

Queen. Stickers are fun Especially

stickers that plug into each activity to complete the exercises and playfully help develop readiness skills. This unique method of learning teaches skills like how to recognize and print letters, identify beginning sounds, match pictures to words, and review alphabetical order, which builds an important foundation for reading. And with this Alphabet Stickers Workbook from the Stuck on Learning , series, it's all cleverly disguised as enjoyable sticker play designed to prepare your child for elementary school. There are also colorful reward stickers that reward your child over and over for a job well done. And when he or she completes the book, a full-page Certificate of Achievement awaits. As your child traces, outlines, and works through this workbook, he or she will be developing those essential skills needed for future success in school. Get your child stuck on learning

Stickers can offer far more than amusement. In Math Stickers the stickers become manipulatives, requiring a child to locate the correct sticker in order to solve the problems, creating an interactive learning experience. Soon kids will be able to recognize that each numeral has a unique name and shape, and each numerical symbol represents a number. This, along with counting objects, builds important early math skills. Add colorful illustrations, games, matching and reward stickers to the mix and a child can't help but be engaged in this colorful world of numbers. See for yourself--engage your child in Math Readiness today. Get your child stuck on learning!

Help your preschooler develop their vocabulary and early literacy skills with this sticker book introducing over 100 essential first words. Organized into groups such as farm animals, toys, and things that go, each colorful page features familiar, everyday words and pictures, and learning becomes interactive as children look for, find, and match the correct stickers to the correct spaces. A great book to help children aged three and over build language, start word and picture association, and develop hand-eye coordination skills.

Preschoolers will have hours of fun with this activity-packed book. There are puzzles to complete, pictures to color in, drawing activities, as well as over 200 stickers to place on the book pages. A great way for kids to learn while having fun.

An exciting interactive title chock-full of stars, planets, aliens, and everything out of this world brings National Geographic Kids signature content to a sticker and activity book format. For kids who love our universe, this book features the coolest science kids can't get enough of: our planet Earth, cool asteroids, fun aliens, comets, and so much more. Packed with mazes, spelling and pattern games, drawing activities, and more, kids are sure to love these pages loaded with fun.

Bring on the holiday cheer with festive hidden picture activities for
