The Prime Minister's Office (PMO) (IAST: Pradh?nama?tr? K?ry?laya) consists of the immediate staff of the Prime Minister of India, as well as multiple levels of support staff reporting to the Prime Minister. The PMO is headed by the Principal Secretary, currently Pramod Kumar Misra. The PMO was originally called the Prime Minister's Secretariat until 1977, when it was renamed during the Morarji Desai ministry .

Prime Minister's Office (India) - Wikipedia
The Prime Minister of India is the chief executive of the Government of India. In India's parliamentary system, the Constitution names the President as head of state de jure, but his or her de facto executive powers are vested in the prime minister and their Council of Ministers. Appointed and sworn-in by the President, the prime minister is usually the leader of the party or alliance that has a majority in the Lok Sabha, the lower house of Parliament of India. Since 1947 India has had 14 prime

When The Accidental Prime Minister was published in 2014, it created a storm and became the publishing sensation of the year. The Prime Minister’s Office called the book a work of ‘fiction’, the press hailed it as a revelatory account of Prime Minister Manmohan Singh’s first term in UPA. Written by Singh’s media adviser and trusted aide, the book describes Singh’s often troubled relations with his ministers, his cautious equation with Sonia Gandhi and how he handled the big crises from managing the Left to pushing through the nuclear deal. Insightful, acute and packed with political anecdotes, The Accidental Prime Minister is one of the great insider accounts of Indian political life.

Lal Bahadur Shastri, 1904-1966, former prime minister of India.

This is the most ambitious and comprehensive account of the institutions of democratic delegation in West European parliamentary democracies. An international team of contributors provides unprecedented cross-national investigations of West European political institutions from 1945 until the present day.

This book is a portrait of Rajiv Gandhi by the person who knew him best: his wife Sonia. It is in four parts, the first and last being in the nature of meditations - one in words, the other in images. In the first, Sonia Gandhi reveals Rajiv through recollections and reflections, delicate and restrained in tone but powerful in resonance. In the last, Rajiv discloses the essence of himself in a gallery of his own photographs. The biographical narrative in between progresses through pictures and extended captions, interweaving Rajiv's personal history with the milieu in which it unfolded.
