We all struggle with sin, whether its pride, lust, anger, or something else. In this gospel-centered resource, five church leaders offer practical advice for " acting " the miracle of sanctification God has already worked within us.

Evangelistic booklet that presents the Gospel of Christ by showing that God is most glorified in us when we are most satisfied in him.

The master of weird fiction, H.P. Lovecraft combines cosmic fantasy with creeping horror in these three tales of malevolent alien forces, body-switching and travel across the space-time continuum. 'Evil, in Lovecraft, is universal, pervasive' Michael Chabon 'His prescience and novelty seem more and more remarkable ... shows a deeply modern horror at the universe' Guardian 'A unique and visionary world of wonder, terror and delirium' Clive Barker

In hard times, it is easy to feel as if there is no hope. But Christ's work on the cross gives reason for hope even in the darkest of times.

Over 650,000 Copies Sold " If you live gladly to make others glad in God, your life will be hard, your risks will be high, and your joy will be full. " The American Dream beckons people to spend their lives on trivial diversions, slipping through life caught up with seeking success, comfort, and pleasure above all else. But God designed people for far more than this. In this best-selling book, John Piper makes a passionate plea to the next generation to avoid the dangers of a wasted life, calling us to take risks and make sacrifices that matter for eternity—with a single, soul-satisfying passion for the glory of God that seeks to make much of him in every sphere of our lives.

IDEO founder and Stanford dschool creator David Kelley and his brother Tom Kelley, IDEO partner and the author of the bestselling The Art of Innovation, have written a powerful and compelling book on unleashing the creativity that lies within each and every one of us. Too often, companies and individuals assume that creativity and innovation are the domain of the "creative types." But two of the leading experts in innovation, design, and creativity on the planet show us that each and every one of us is creative. In an incredibly entertaining and inspiring narrative that draws on countless stories from their work at IDEO, the Stanford dschool, and with many of the world's top companies, David and Tom Kelley identify the principles and strategies that will allow us to tap into our creative potential in our work lives, and in our personal lives, and allow us to innovate in terms of how we approach and solve problems. It is a book that will help each of us be more productive and successful in our lives and in our careers.

Properly crafted and individually tailored feedback on student work boosts student achievement across subjects and grades. In this updated and expanded second edition of her best-selling book, Susan M. Brookhart offers enhanced guidance and three lenses for considering the effectiveness of feedback: (1) does it conform to the research, (2) does it offer an episode of learning for the student and teacher, and (3) does the student use the feedback to extend learning? In this comprehensive guide for teachers at all levels, you will find information on every aspect of feedback, including • Strategies to uplift and encourage students to persevere in their work. • How to formulate and deliver feedback that both assesses learning and extends instruction. • When and how to use oral, written, and visual as well as individual, group, or whole-class feedback. • A concise and updated overview of the research findings on feedback and how they apply to today's classrooms. In addition, the book is replete with examples of good and bad feedback as well as rubrics that you can use to construct feedback tailored to different learners, including successful students, struggling students, and English language learners. The vast majority of students will respond positively to feedback that shows you care about them and their learning. Whether you teach young students or teens, this book is an invaluable resource for guaranteeing that the feedback you give students is engaging, informative, and, above all, effective.
