First published in 1908, "Scouting for Boys" is the seminal work on scouting by British Army officer and founder of the worldwide scouting movement, Robert Baden-Powell. Originally written as a manual for self-instruction, "Scouting for Boys" details many important scouting skills including scoutcraft, tracking, woodcraft, camping, and first-aid. Baden-Powell's work is a rework of his earlier "Aids to Scouting", published in 1899, and borrows many ideas from Ernest Thompson Seton's "The Birch Bark Roll of the Woodcraft Indians", published in 1906. "Scouting for Boys" includes numerous tales that can be told around the campfire, as well as many of Baden-Powell's personal anecdotes, and opinions on proper moral character of boy scouts. While some of the information in this work may seem outdated and some of the moralizing many seem antiquated to modern readers, "Scouting for Boys" remains an important historical work in the scouting movement. Having sold millions of copies since its first publication, the impact Baden-Powell's "Scouting for Boys" as well as his personal advocacy for the scouting movement cannot be overstated. This edition is printed on premium acid-free paper.

Designed by Edurise panel of authors, RRB NTPC 2019 CBT Stage 1 Exam PRACTICE SETS is here to act as the backbone for planning and implementation of your Stage-1 exam preparation strategy. The book contains 23 Practice Sets with highly probable questions for maximum chance of success. All 2300 questions are explained in detail from typical student point of view with well illustrated short tricks that save time. You can optimize the use of this valuable resource by practicing newly revised pattern of CBT stage 1 by solving 23 NTPC exam oriented practice sets in a time bound manner. The book is thoroughly prepared for RRB CEN 01/2019. **** Important Note**** The question types and difficulty level would be different from Banking, SSC, UPSC similar government exams. The RRB NTPC Recruitment exam will be conducted in 2 stages: CBT Stage 1: Stage 1 exam will only contain questions from Non -Technical Subjects: General Awareness ,Mathematics and General Intelligence & Reasoning and will be common for all post categories.

In 1899 while serving in the 2nd Boer War, Robert Baden-Powell penned his sixth military book, Aids To Scouting. It was a non-typical training manual filled with personal stories of intrigue and even games. Its goal was to encourage the development of light reconnaissance scouting skills within the British Army. The book was well received by various armies of its time, including the French Army. His successful defense of Mafeking (1899-1900) in South Africa made Baden-Powell a well-known national hero in Britain. But what completely surprised Baden-Powell was that his book was eagerly taken up by teachers and youth groups to help organize outdoor activities and sport. He eventually embraced the idea of adapting his work into a new youth-oriented book, Scouting for Boys (1908) which went on to sell approx. 150 million copies to date. It was that follow-on book that firmly launched the international Boy Scouts movement. Aids to Scouting contains sections on the characters of a scout, as well as practical advice on observation, stealth/camouflage, map reading, sketching, tracking, reporting and care of horses. It presents these topics in a simple conversational style that makes it easy to read, and is illustrated with personal anecdotes of military adventures by the author. It gives scholars clear insights into his mindset and beliefs that served him well in the siege of Mafeking and shows a clear lineage to the formation of the tenets of his formation of the Boy Scouts. Anyone interested in the history of Boy Scouting will definitely want to read this interesting and formative book. (NOTE - Appendix C contents is missing in this Kindle version - but we hope to update the ebook with it once a suitable facsimile can be referenced).

Book Type - Practice Sets / Solved Papers About Exam: The first stage of this RRB Junior Translator recruitment process will begin with a Computer Based Test (CBT). For the post of Junior Translator/Hindi, the CBT is followed by the second phase of the Translation Test and the third and last stage will be the Document Verification and Medical Examination. The question paper for the CBT is designed in such a way that it tests both the knowledge of Hindi Language as well as the English Language. At least 50% of the questions will test language proficiency. It is divided like- 20% for English and 30% for Hindi. The rest 50% of the question will test General Awareness, General Knowledge, Simple Arithmetic, and Computer basics. Subjects Covered- Professional ability, General Awareness, General Intelligence and Reasoning, Mathematics, and General Science Exam Patterns ▯ The test will contain objective multiple-choice type. Each question carries one mark. The test consists of negative marking and for every wrong answer, 1/3 mark shall be deducted. Negative Marking ▯ 1/3 Conducting Body- Railway Recruitment Board (RRB)
