Ringworld (Literature) - TV Tropes

A ringworld is a ring-like megastructure that completely encircles its star. The star is continually overhead when seen from the surface of such a structure. A day-night cycle, if desired, can be provided by sunshades of various kinds.

Orion's Arm - Encyclopedia Galactica - Ringworlds

Ringworld is one of the most original stories I have ever read. A beautiful balance between fascinating characters and adventurous challenges. True story telling at it's best by one of the genre's greats. The story takes place sufficiently far enough in the future to allow anything to exist or happen.
