teaching language and content. We consider that SIOP model has several advantages for developing communicative skills, because learners are most of the time immersed in real-life activities, considering that academic work is one real-life tool.

e-PORTFOLIO: SIOP reflection paper

A reflective essay is a written piece of literature that focuses on presenting and narrating a person's experience and how it becomes an instrument towards a change of perception in life. It is a way for a writer to share an important event in his/her life and how it affected him/her so that others may learn something from it.
