SANS 10400-J: The application of the National Building ...

Like all the other parts of SANS 10400, Part J, Floors, has two sections. One section covers the Regulations (the National Building Regulations and Building Standards Act, 1977 and all its amendments) and the other covers how they should be applied (previously what fell under the "deemed-to-satisfy" rules). In terms of the Regulations (the law), there is one substantial change to the first ...
