'Arabian Nights' is also known as 'One Thousand and One
Nights' stories. These stories are collected from different

parts of the world during Islamic golden Age. Many different versions and translation of these stories are available around the world. These stories are specially crafted with folklore, magic and legends theme to capture the imagination of children and make them engage the whole day.

This book retells the story of Sinbad the Sailor and recounts tales of the voyages on which he acquired his wealth, of the strange peoples and monsters he encountered along the way and of lands beyond the horizon. It places the fiction of Sinbad, popularised in the collection of stories known as the Arabian Nights, into the context of medieval Cairo where these tales were originally told. By retracing the history of these stories and the Arabian voyages of exploration and

trade which inspired them, and by examining modern incarnations of Sinbad that have appeared since his stories reached the West, this book breathes new life into these ancient tales of adventure, magic and mystery.

A feckless boy is lured by a wicked magician into a trap but the scheme backfires — the boy, Aladdin, is left with a magical lamp and a genie who showers him with riches. Aladdin's wealth makes him an attractive suitor for the sultan's daughter, but when the evil sorcerer returns to kidnap the bride, the young hero must rescue his princess or die trying. This classic retelling of the ever-popular Middle Eastern folktale has entranced readers for over a century. Originally published in 1914 as part of *Sindbad the Sailor and Other*

In the run-up to the 15th Lok Sabha elections in 2009, the Hindustan Times decided to take its readers up close to grassroots India, and to share the lives and perspective of ordinary Indians-the people who really matter in an election. India Yatra was probably the biggest national reporting project of its kind. It spanned more than 23,000 kilometres and 117 constituencies-about one-third of all Lok Sabha constituencies. Fifty-six reporters and photographers were sent out on selected routes to explore different themes and convey the concerns that occupy them. The exercise showed just how diverse India really is, and how startling its variety. So that, as Nandan Nilekani points out in his foreword, anyone who claims to 'know' India is either lying or foolish.

These reports present a picture of the country with remarkable clarity, without getting lost in the maze of its complexity. As India negotiates this critical period of rising awareness and an intensifying struggle for access to the benefits of growth, India Yatra assumes a significance that goes beyond the immediate reality."Is it possible to journey within a complex, layered country such as India, and not be lost in the confusion and detail of it? The essays in the HindustanTimes Yatra series manage to do this superbly, and tease out fascinating snapshots of a country in flux."-from the foreword by Nandan Nilekani
