Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class X following the NCERT Textbook of Social Science. The present book has been divided into two parts according to the syllabi of Social Science Term I and Term II, further divided into History, Geography, Political Science and Economics sections. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. This book has answer to each & every question covered in the chapters of the textbook for Class X Social Science. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The curriculum for Disaster Management has been covered at the end of the book with necessary theoretical content and solved textbook questions. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. As the book has been designed strictly according to the NCERT Textbook of Social Science for Class X and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class X students in an effective way for Social Science.

Business Writing for Innovators and Change-Makers will empower you to build your confidence as a communicator, strengthen your brand, and increase your impact with your customers and clients. Business Writing for Innovators and Change-Makers is a writing guidebook with street-smarts. It recognizes the unique communication challenges entrepreneurs face and offers clear action steps for tackling them. As an entrepreneur with a pioneering product or service to offer the world, you can ’ t rely on cookie-cutter communication templates to get your meaning across. You need a set of writing strategies that are quick to implement and easy to adapt to a wide variety of communication situations, from emails to pitch decks. Dawn Henwood provides a simple, flexible approach to writing that will open your eyes to the subtle ways written communication can engage and motivate your target audience. Whether you are just starting your business or scaling up to the next level of success, you ’ ll find Dawn ’ s straightforward teaching just the help you need to make your message heard. Business Writing for Innovators and Change-Makers will empower you to build your confidence as a communicator, strengthen your brand, and increase your impact with your customers and clients.

The best organizations have the best talent. . . Financial incentives drive company performance. . . Firms must change or die. Popular axioms like these drive business decisions every day. Yet too much common management “ wisdom ” isn ’ t wise at all—but, instead, flawed knowledge based on “ best practices ”

that are actually poor, incomplete, or outright obsolete. Worse, legions of managers use this dubious knowledge to make decisions that are hazardous to organizational health. This practical and candid book challenges leaders to commit to evidence-based management as a way of organizational life — and shows how to finally turn this common sense into common practice.

PAIN from arthritis can be troubling, disruptive and depressive. Hip joint replacement for arthritis of a hip joint is like a heart transplant for a damaged heart. Hip joint replacement is evolving, and demand is increasing, as is the apprehension. This book gives a highly successful systematic approach, guidance and education on how to overcome the fear of surgery, what to expect, and how to recover from surgery faster and safer. This book is extremely valuable for patients, family members, friends and doctors treating arthritis. I firmly believe that adequately educated patient, godspeed's their recovery, outcomes and satisfaction. When the patient is happy, the doctor is happy & 'communication ' is the KEY!

David Collins, a well respected scholar of management gurus proves a critical reappraisal of the very influential work of Tom Peters. This volume examines his key works and reviews his detractors, offering an analysis of his contributions to the field of management that goes beyond the simple chronological model that has previously been used. Collins focuses on the changing narratives of Tom Peters and proposes a four-fold narrative typology to explore this guru's evolving account of the business of management. The book argues that Peters' success as a guru derives from his abilities as a storyteller. The author notes a decline in Peters' storytelling and an increasing reliance on certain story types. Furthermore he observes that this guru now tends to place himself at the centre of his narratives of business and change. On the strength of this analysis Collins concludes that Peters has 'lost the plot' and argues that new and more appropriate, narratives must be sought and developed. Critical and compelling, this excellent book is a must read for all students and instructors working across the management spectrum, especially in the areas of management, organizational behaviour, change management and corporate strategy.

Finally, a no-worry, no-guilt guide to sleep. There's no such thing as a one-size-fits-all sleep solution. That's why Sleep Solutions for Your Baby, Toddler, and Preschooler provides you with the tools you need to come up with a customized sleep solution that takes into account your child's temperament, your parenting philosophies, and the rest of your life. You'll also get the lowdown on: the physical, emotional and relationship fallout of sleep deprivation — along with an action plan for minimizing these effects what the world's leading sleep researchers have identified as the best-odds sleep promotion strategies for babies, toddlers, and preschoolers the science behind each of the major sleep training methods — along with the inside scoop on the major pros and cons, according to parents who've tried them co-sleeping, partners in exile (in the spare bedroom), and other hot-button topics in the world of sleep sleep transitions: from co-sleeping to solo sleeping; from crib to bed; from napping to no more naps nightmares, night terrors, bedtime refusal, and too-early risers Includes checklists, charts, and sleep tools, including a handy sleep log sleep books, websites, and organizations that every parent should know about

The Confessions Of A Guru Wannabe is the sizzling, shocking and confessional true story of Dr. Ope Banwo, who rose from being a bumbling clueless internet newbie to becoming one of most respected Internet Business professionals in Africa. The book reveals all the mistakes he made while chasing internet success and how he turned everything around to achieve success as a successful Netpreneur. In this frank, heart warming and motivational confessional story, the author frankly discusses the errors he made and the valuable lessons he learnt in the process. He also revealed powerful secrets he learnt that could help other struggling Netpreneurs who are looking to build a genuine business on the internet. WHAT PEOPLE ARE SAYING ABOUT "CONFESSIONS OF A GURU WANNABE" Here's what some of the biggest professionals in internet business have to say about this book: "Dr. Ope's book is well timed and could help many aspiring entrepreneurs with what works and what doesn't as well as alert them and steer them in the right direction. ...Dr. Ope's book will be an eye-opener and will make people aware of the online marketing

industry, from the inside-out" Raam Anand, Founder, infoYOGIS www.TheSpeakingTree.org "You are going to love Confessions of a Guru Wannabe. Dr Banwo walks you through the dark underbelly of internet marketing and unabashedly shares with you how he got sucked in by it. This book is so important that it is a must read for marketers just starting out and to all marketers no matter what stage of success they have gained. It will make you laugh at times, cry at times and I am sure you will find a piece of yourself in this wonderful, fabulously written book. If you want to get back on track and take the steps necessary to be successful online, you need a dose of what Dr Banwo has to offer" Jane Mark, CEO Sokule Inc <http://www.sokule.com> "Ope this is a fantastic journey you have shared with us, and ... I think you have identified why so many up and coming internet marketers get stuck buying, not selling their products and services, and the mindset change is crucial to the transformation. This is a great book for people coming into the internet marketing space ...to help them avoid wasting their money as many have before us." KATE LUELLA www.kateluella.com "If you are finally ready to succeed by first learning what NOT to do, and then taking a step by step approach to creating a solid online business...Confessions of a Guru Wannabe will give you Tips and Techniques that will virtually guarantee you avoid the mistakes that 99.9% of all Internet Marketers fall into...If you're ready to win, and win BIG...do yourself a favor and read this book. It's just that good!" Kris Whitehead, Author, Think To Succeed www.ThinkToSucceed.com "This book is one of the best, most useful books that any internet marketing newbie should read. It's like the memories of many Internet Marketing gurus all gathered in one place. We all made the same mistakes and thanks to you Ope for coming out with absolute honesty and sharing this with others. I recommend your book to everyone who wants to get into online marketing." Iman Aghay, Founder of Marketing Mastery Summit www.successroad.ca "Dr. Ope Banwo's book is a telling tale of the perils and triumphs of internet marketing. A must read for newbies wanting to make money online as well as seasoned professionals wanting to stake their claim on the internet." Daven Michaels, Author of the New York Times Best Seller, Outsource Smart www.123Employee.com

Bhai Gurdas Bhalla (d. 1636 CE) is widely considered the most important non-canonical poet in Sikh history, having shaped the theology and ethics of the tradition for centuries. His beautiful poems, which offer an authoritative illustration of Sikh life in the early seventeenth century, defined Sikh identity during a tumultuous period of upheaval. In *Drinking from Love's Cup* Rahuldeep Gill brings together for the first time a collection of the revered poet's early work, masterfully translated into English, along with the original Punjabi text. The magic of Gurdas's poetry, says Gill, lies in its fusion of Islamicate narrative traditions with the heroic literature of India to speak about death, martyrdom, and the spirit's absolution in love. Rhythmic, elegant, and lucid, the poems weave Sikh scripture into the lyrical fabric of Sikh spirituality. Challenging traditional scholarship surrounding the dates of Gurdas's writing, Gill suggests that Gurdas wrote his poetry to console the Sikh community, which was in mourning over the execution of the fifth of the Sikh founders, Guru Arjan (d. 1606), by agents of the Mughal Empire. Ranking among the best of the Punjabi language troubadours, Gurdas in his verses immortalized the fifth Guru's role as a martyr. His poems were written to encourage the faithful to stay involved in the community, resist hegemony, and reinforce Sikh beliefs during sectarian upheaval. This book brings a contemporary flair to Gurdas's moving stanzas, and also unearths fresh insights about his life and context.
