The Noble laureate has selected nearly 150 of his acclaimed stories, from his eight previous collections, offering abundant evidence of his mastery of the genre

Edited by his daughter Nathalie and translated by award winner Peter Constantine, this paperback edition includes the stunning "Red Cavalry Stories"; "The Odessa Tales, " featuring the legendary gangster Benya Krik; and the tragic later stories, including "Guy de Maupassant."

Gathers together previously published stories from one of the masters of science fiction

Presents the Russian author's stories in new translations, including a chronology and notes on the texts.

Throughout his life Isaac Babel was torn by opposing forces, by the desire both to remain faithful to his Jewish roots and yet to be free of them. This duality of vision infuses his work with a powerful energy from the earliest tales including 'Old Shloyme' and 'Childhood', which affirm his Russian-Jewish childhood, to the relatively non-Jewish world of his collection of stories entitled 'Red Cavalry'. Babel's masterpiece, 'Red Cavalry' is the most dramatic expression of his dualism and in his simultaneous acceptance and rejection of his heritage heralds the great American-Jewish writers from Henry Roth to Saul Bellow and Philip Roth.

Presents the collected short stories of a master of the form, along with his letters, plays, diaries, and screenplays.

Isaac Bashevis Singer's work explores humanity in all of its guises. This collection of forty-seven short stories, selected by Singer himself from across the whole of his career, brings together the best of his writing. From the supernatural 'Taibele and Her Demon' to the poignant 'The Unseen', and from gentle humour in 'Gimpel the Fool' to tragedy with 'Yentl the Yeshiva Boy', these tales explore good and evil, passion and restraint, religious fervour and personal failings, within the traditional shtetls of pre-war Eastern Europe and post-war America.
