~~For non-Jewish readers it's also fascinating, particularly for believers needing to know more of the roots of their Christian faith and practice. No wonder that the First Jewish Catalogue has been followed by a second and a third, and that its editors have a continuing, lively dialogue with the readers, of whom I am one.~~

~~A little skimpy on halacha (Jewish law) and day-to-day practicalities, this book is all about having a good time, making a difference, saving the world. Illustrated throughout with scary 1970's black-and-white photos, cartoons, and clips of Yiddish proverbs, this book actually manages to overcome its "feel-good" message, providing a joyful introduction to important Jewish themes.~~

A look at the Jewish way of life examines such topics as prayer, meditation, festivals, Sabbath laws and practices, work ethics, and how to keep kosher.

GOLIATH'S HEAD tells of a search for courage and hope amidst crushing oppression. Avi Schneider is a Jewish boy growing up in Russia on the eve of early-twentieth-century revolution. He is nine years old when he meets his own personal devil, Viktor Askinov, a brutal youngster who relishes tormenting Jews. In the following years, Avi is the object of his tormentor's obsession. Fourteen years later in 1905 the Tsar instigates riots - pogroms - against the poor, teeming Jewish villages. Now a husband and father, Avi takes to the barricades to defend his village from the mob coming to kill the men, rape the women, and burn down his village. Armed, he again faces Viktor Askinov, who is leading the mob. But he has been warned that if he kills Viktor Askinov, he puts his beautiful young wife Sara and newborn son Itzhak in deadly peril. Avi must decide this night what he stands for. Is it survival at any cost, for himself and those he loves? Or is it righteous vengeance for his people?

practice. The richness and depth of Jewish tradition, with a full range of information on why and how to celebrate, is presented in a lively, warm, and user-friendly manner.

This book invites the reader into the heart of Jewish spirituality, to learn about its idiom and imagery, its emotions and its great sweeping dramas. It invites the reader to meet six ideal personalities of Jewish prayer and to get to know some of God's favorite prayers. What others are saying about God's Favorite Prayers: "God's favorite prayers have all been right in plain sight for centuries, though never before experienced like this. With his characteristic blend of chutzpah and humor, Professor Rav Zahavy makes finding spiritual experiences into a real page turner! A fun, fascinating and totally refreshing way to finally learn how to pray." -Dr. Arlene Rossen Cardozo, author of Sequencing, Woman at Home and Jewish Family Celebrations "Tzvee Zahavy's artful melding of memoir, analysis, and typology enriches our understanding of liturgical experience and encourages us to emulate him by reflecting more thoughtfully on our own prayer lives." -Rabbi Eliezer Diamond Ph.D., Associate Professor of Talmud and Rabbinics, Jewish Theological Seminary "... An engaging, humanly sensitive introduction to the types of religious personalities whose views are expressed in the diverse parts of the Siddur and, more generally, in components of Jewish liturgical practices... A fine text for helping students and interested lay people gain an understanding and appreciation of the spiritual viewpoints expressed in Jewish liturgical texts." -Joel Gereboff, Professor of Religious Studies, Arizona State University "It is not often that one has the opportunity to share the authentic personal experiences of a distinguished scholar in the field of liturgy, who is also an award-winning teacher. These two elements stand out in Tzvee Zahavy's God's Favorite Prayers. Zahavy takes us on an amazing journey into the world of Jewish Prayer and into the personalities that make up the 'quorum' in the synagogue. His observations and insights will inspire people of all faiths, who truly seek out a way to make prayer, both personal and communal, a meaningful part of their lives." -Rabbi Shimon Altshul, Director, the Ludwig and Erica Jesselson Institute for Advanced Torah Studies, Bar Ilan University Contents INVITATION BEGINNING THE PRAYER BOOK THE PERFORMER'S PRAYERS THE MYSTIC'S PRAYERS THE SCRIBE'S PRAYERS THE PRIEST'S PRAYERS THE MEDITATOR'S PRAYERS THE CELEBRITY'S PRAYERS THE KIDDUSH THE SHOFAR SOURCES ABOUT THE AUTHOR REVIEWS Publisher: Talmudic Books
