During my career, *The Hitchhiker's Guide to the Galaxy* has proved more useful than any business handbook. The City, like the Vogon Constructor Fleet, has wreaked regular destruction in its attempt...

A hitchhiker's guide to the City | Financial Times

The Hitchhiker's Guide to the Galaxy Summary. The super short version of *The Hitchhiker's Guide to the Galaxy* is, well, weird stuff happens to Arthur Dent, regular Earth-person. But the real joy of this book is in the weird stuff; and there's so much of it that we can't even capture it all. The longer short version starts when Arthur's house gets torn down so a road can be built—and his day goes downhill from there.

The Hitchhiker's Guide to the Galaxy Summary | Shmoop

The Hitchhiker's Guide to the Galaxy is a 2005 British-American science fiction comedy film directed by Garth Jennings, based upon previous works in the media franchise of the same name, created by Douglas Adams.

The off-beat and occasionally extraterrestrial journeys, notions, and acquaintances of galactic traveler Arthur Dent are illustrated with digitally generated graphic images and tricky visual puns

This beautifully illustrated edition of the New York Times bestselling classic celebrates the 42nd anniversary of the original publication—with all-new art by award-winning illustrator Chris Riddell. SOON TO BE A HULU SERIES • “An astonishing comic writer.”—Neil Gaiman Nominated as one of America’s best-loved novels by PBS’s *The Great American Read* It’s an ordinary Thursday morning for Arthur Dent . . . until his house gets demolished. The Earth follows shortly after to make way for a new hyperspace express route, and Arthur’s best friend has just announced that he’s an alien. After that, things get much, much worse. With just a towel, a small yellow fish, and a book, Arthur has to navigate through a very hostile universe in the company of a gang of unreliable aliens. Luckily the fish is quite good at languages. And the book is *The Hitchhiker’s Guide to the Galaxy* . . . which helpfully has the words DON’T PANIC inscribed in large, friendly letters on its cover. Douglas Adams’s mega-selling pop-culture classic sends logic into orbit, plays havoc with both time and physics, offers up pithy commentary on such things as ballpoint pens, potted plants, and digital watches . . . and, most important, reveals the ultimate answer to life, the universe, and everything. Now, if you could only figure out the question. . . .

In one complete volume, here are the five classic novels from Douglas Adams’s beloved Hitchhiker series. Now celebrating the pivotal 42nd anniversary of *The Hitchhiker’s Guide to the Galaxy*, soon to be a Hulu original series! *The Hitchhiker’s Guide to the Galaxy* (Nominated as one of America’s best-loved novels by PBS’s *The Great American Read*) Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through time and space. The Restaurant at the End of the Universe The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. Life, the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky- so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. So Long, and Thanks for All the Fish Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story “Young Zaphod Plays It Safe” “With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry.”—San Diego Union-Tribune “Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain.”—The Atlantic

And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

Thirty years of celebrating the comic genius of Douglas Adams... On 12 October 1979 the most remarkable book ever to come out of the great publishing corporations of Ursa Minor (and Earth) was made available to humanity - The Hitchhiker's Guide to the Galaxy. It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace bypass and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed with the big, friendly words: DON'T PANIC. The weekend has only just begun... Volume one in the trilogy of five

First a legendary radio series, then a sequence of bestselling books, and most recently a blockbuster movie, The Hitch Hiker's Guide to the Galaxy is one of the greatest fictional enterprises of the twentieth century. Reissued in time for the first novel's thirty-fifth anniversary, this hardback omnibus edition includes all five parts of the trilogy, along with a wealth of extra material prefaced and contextualised by Jem Roberts, the official biographer of Douglas Adams, to complete the canon. This unique hardback edition is indispensable for any would-be galactic traveller, and a must-read for all Douglas Adams fans.

Don't Panic: collected together in the Hitchhiker's Guide Trilogy are the five titles that comprise Douglas Adams' wildly popular and wholly remarkable comedy science fiction series, with a special introduction from the author himself. The Hitchhiker's Guide to the Galaxy One Thursday lunchtime the Earth gets unexpectedly demolished to make way for a new hyperspace bypass. For Arthur Dent, who has only just had his house demolished that morning, this seems already to be rather a lot to cope with. Sadly, however, the weekend has only just begun. The Galaxy may offer a mind-boggling variety of ways to be blown up and/or insulted, but it's very hard to get a cup of tea. The Restaurant at the End of the Universe When all questions of space, time, matter and the nature of being have been resolved, only one question remains - 'Where shall we have dinner?' The Restaurant at the End of the Universe provides the ultimate gastronomic experience, and for once there is no morning after to worry about. Life, the Universe and EverythingFollowing a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown . . . So Long, and Thanks for All the FishThere is a knack to flying. The knack lies in learning how to throw yourself at the ground and miss. It's not an easy thing to do, and Arthur Dent thinks he's the only human who's been able to master this nifty little trick - until he meets Fenchurch, the woman of his dreams. Fenchurch once realised how the world could be made a good and happy place. Unfortunately, she's forgotten. Convinced that the secret lies within God's Final Message to His Creation, they go in search of it. And, in a dramatic break with tradition, actually find it . . .Mostly HarmlessArthur Dent has settled down on the small planet Lamuella and has embraced his role as a Sandwich Maker. However, his plans for a quiet life are thrown awry by the unexpected arrival of his daughter. There's nothing worse than a frustrated teenager with a copy of the Hitchhiker's Guide to the Galaxy in their hands. When she runs away, Arthur goes after her determined to save her from the horrors of the universe. After all - he's encountered most of them before . . .

A one-volume edition charting Arthur Dent's odyssey through space, comprising:"The Hitchhikers Guide to the Galaxy": One Thursday lunchtime the Earth gets demolished to make way for a hyperspace bypass. For Arthur, who has just had his house demolished, this is too much. Sadly, the weekend's just begun."The Restaurant at the End of the Universe": When all issues of space, time, matter and the nature of being are resolved, only one question remains: Where shall we have dinner? "The Restaurant at the End of the Universe" provides the ultimate gastronomic experience and, for once, there is no morning after."Life, the Universe and Everything": In consequence of a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth. And then, just as he thinks that things cannot possibly get any worse, they suddenly do."So Long, and Thanks for all the Fish": Arthur Dent's sense of reality is in its dickiest state when he suddenly finds the girl of his dreams. They go in search of God's Final Message and, in a dramatic break with tradition, actually find it.

March 1978 saw the first ever transmission of Douglas Adams' The Hitchhiker's Guide to the Galaxy on BBC Radio 4; the beginning of a cult phenomenon. March 2020 marks the 42nd anniversary of that first transmission - 42 being the answer, of course, to the Ultimate Question of Life, the Universe, and Everything. To mark the occasion, Pan Macmillan are bringing back into print The Hitchhiker's Guide to the Galaxy: The Original Radio Scripts with a brand-new introduction from Simon Jones. The collection also includes the previously 'lost' Hitchhiker script from the 25th anniversary edition, 'Sheila's Ear' and the original introductions by producer Geoffrey Perkins and Douglas Adams. This collection, which is a faithful reproduction of the text as it was first published in 1985, features all twelve original radio scripts - Hitchhiker as it was written and exactly as it was broadcast for the very first time. They include amendments and additions made during recordings and original notes on the writing and producing of the series by Douglas Adams and Geoffrey Perkins. For those who have always loved Douglas Adams, as well as for his new generation of fans, these scripts are essential reading and a must-have piece of Adams memorabilia. This special anniversary edition will sit alongside reissued eye-catching editions of the five individual Hitchhiker books coming in May 2020: The Hitchhiker's Guide to the Galaxy, The Restaurant at the End of the Universe, Life, the Universe and Everything, So Long, and Thanks for All the Fish and Mostly Harmless.

Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "A madcap adventure . . . Adams's writing teeters on the fringe of inspired lunacy."—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth's dolphins, and the discovery of his battered copy of The Hitchhiker's Guide to the Galaxy all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it's light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? "The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible."—The Boston Globe
