Contract Basics Contracts are legal agreements between two parties or more. Legally binding contracts must have essential elements in order to be enforced in court.

Some contracts that are missing one or two of these essentials will still hold up in a court, but it's best to have them all covered.

agreement giving rise to obligations which are enforced or recognised by law. 2. In common law, there are 3 basic essentials to the creation of a contract: (i) agreement; (ii) contractual intention; and (iii) consideration. 3. The first requisite of a contract is that the parties should have reached agreement.

The Law of Society:
Governance Through Contract
– CORE

A contract is a legally
enforceable agreement
between two or more parties.
The core of most contracts
is a set of mutual promises
(in legal terminology,
"consideration"). The
promises made by the parties
define the rights and
obligations of the parties.
Contracts are enforceable in
the courts.

Contract Law - Wikipedia
The common law of contract
originated with the now-
defunct writ of assumpsit,
which was originally a tort
action based on reliance.
Contract law falls within
the general law of
obligations, along with
tort, unjust enrichment, and
restitution. Jurisdictions
vary in their principles of
freedom of contract. In
common law jurisdictions
such as England and the
United States, a high degree
of freedom is the norm.
